illustrated by color and bandw photos highlighting their unique qualities The story of each classic car is complemented by
performance tables that include information such as maximum speed and power engine type and details of transmission
chassis suspension and brakes Oversize 9 5x12 Annotation copyrighted by Book News Inc Portland OR *Polo in the United*
States Horace A. Laffaye,2014-01-10 Though polo is commonly associated with Britain and South America the sport also
enjoys a strong following in the United States This comprehensive history describes the evolution of polo in the U S from its
beginnings in a New York City riding academy in 1876 to the 2010 Open Championship held in Florida The principal early
players and the first polo clubs are covered as is American participation in the Olympics polo at universities and colleges
women's polo indoor polo and polo in the military Additionally chapters also examine polo in the arts and in literature
Sports around the World John Nauright,2012-04-06 This multivolume set is much more than a collection of essays on
sports and sporting cultures from around the world it also details how and why sports are played wherever they exist and
examines key charismatic athletes from around the world who have transcended their sports Sports Around the World
History Culture and Practice provides a unique global overview of sports and sports cultures Unlike most works of this type
this book provides both essays that examine general topics such as globalization and sport international relations and sport
and tourism and sport as well as essays on sports history culture and practice in world regions for example Latin America
and the Caribbean the Middle East and North Africa Europe and Oceania in order to provide a more global perspective These
essays are followed by entries on specific sports world athletes stadiums and arenas famous games and matches and major
controversies Spanning topics as varied as modern professional cycling to the fictional movie Rocky to the deadly ball game
of the ancient Mayans the first three volumes contain overview essays and entries for specific sports that have been and are
currently practiced around the world The fourth volume provides a compendium of information on the winners of major
sporting competitions from around the world Readers will gain invaluable insights into how sports have been enjoyed
throughout all of human culture and more fully comprehend their cultural contexts The entries provide suggestions for
further reading on each topic helpful to general readers students with school projects university students and academics
alike Additionally the four volume Sports Around the World spotlights key charismatic athletes who have changed a sport or
become more than just an outstanding player Sport in American Culture Joyce D. Duncan,2004-11-19 A unique and timely

exploration of the cultural impact of sport on American society including lifestyles language and thinking Sport in American Culture is the first and only reference work to provide an in depth and up to date exploration of sport and its impact on American culture Essays from more than 200 scholars professionals and sports enthusiasts address how sport has changed our lifestyles language and thinking Arranged alphabetically the work introduces key sport figures and national icons with a focus on their cultural impact examines individual sports and how they have influenced society and discusses such phenomena as the billion dollar athletic apparel industry sport as big business and the effect of sport on gender racial views pride and nationalism In addition to expected topics the work also includes less studied areas such as myths audience rituals Wheaties comic books the hula hoop and religion *From Football to Soccer* Brian D. Bunk, 2021-08-24 Rediscovering soccer s long history in the U S Across North America native peoples and colonists alike played a variety of kicking games long before soccer s emergence in the late 1800s Brian D Bunk examines the development and social impact of these sports through the rise of professional soccer after World War I As he shows the various games called football gave women an outlet as athletes and encouraged men to form social bonds based on educational experience occupation ethnic identity or military service Football also followed young people to college as higher education expanded in the nineteenth century University play along with the arrival of immigrants from the British Isles helped spark the creation of organized soccer in the United States and the beautiful game s transformation into a truly international sport A multilayered look at one game s place in American life *From Football to Soccer* refutes the notion of the U S as a land outside of football history **Princeton Alumni Weekly** ,1949 **Autocar & Motor** ,1994 *The Advertising Red Books* ,2005-04 **Bazaar Exchange and Mart, and Journal of the Household** ,1883 **Racecar Engineering** ,2007 *The Coventry Bookshelf* ,1939 *Forthcoming Books* Rose Arny, 2001 **The Woodenboat** ,2004 **People of Today** ,2006 **General Catalogue of Printed Books to 1955** British Museum.
