

Vertebrates

The book cover features a collage of images related to vertebrates. At the top left is a detailed anatomical drawing of a fish's head in profile, showing internal structures like the eye, brain, and gills. To the right is a photograph of a bird's nest made of twigs, with a small, light-colored bird perched on the edge. In the center is a vibrant, 3D-rendered blue fish, possibly a cichlid, shown from a side profile. At the bottom right is a photograph of a long, thin, yellowish worm-like creature, likely a polychaete, curled into a loose 'U' shape. The background is a warm, golden-brown color with a subtle texture.
