The bestselling natural history of birds lavishly illustrated with 600 colorphotos is now available for the first time in flexi binding Kingbird Highway Kenn Kaufman,2000 At 16 Kaufman dropped out of high school and started hitching across America in an effort to see the most birds in a year Kingbird Highway is a unique coming of age story combining a lyrical celebration of nature with wild adventures and some unbelievable characters **Advanced Birding** National Audubon Society,National Wildlife Federation,Roger Tory Peterson Institute,1990 Covering thirty five of the most difficult groups of birds from winter loons to confusing fall warblers jaegers to chickadees accipiters to flycatchers this clearly written and beautifully illustrated field guide tells exactly how to solve the most challenging bird identification problems of North America **City Birding** Kenn Kaufman,2003 The country s best known birders observe birds in places where thriving bird life comes as a surprise Funny and informative The Birds That Audubon Missed Kenn Kaufman,2024-05-07 Renowned naturalist Kenn Kaufman examines the scientific discoveries of John James Audubon and his artistic and ornithologist peers in this fascinating blend of history science art biography and memoir Booklist starred review that is a bird lovers delight Kirkus Reviews Raging ambition Towering egos Competition under a veneer of courtesy Heroic effort combined with plagiarism theft exaggeration and fraud This was the state of bird study in eastern North America during the early 1800s as a handful of intrepid men raced to find the last few birds that were still unknown to science The most famous name in the bird world was John James Audubon who painted spectacular portraits of birds But although his images were beautiful creating great art was not his main goal Instead he aimed to illustrate and write about as many different species as possible obsessed with trying to outdo his rival Alexander Wilson George Ord a fan and protégé of Wilson held a bitter grudge against Audubon for years claiming he had faked much of his information and his scientific claims A few of Audubon s birds were pure fiction and some of his writing was invented or plagiarized Other naturalists of the era including Charles Bonaparte nephew of Napoleon John Townsend and Thomas Nuttall also became entangled in the scientific derby as they stumbled toward an understanding of the natural world an endeavor that continues to this day Despite this intense competition a few species including some surprisingly common songbirds hawks sandpipers and more managed to evade discovery for years Here renowned bird expert and artist Kenn Kaufman explores this period in history from a new angle by considering the birds these people discovered and especially the ones they missed Kaufman has created portraits of the birds that Audubon never saw attempting to paint them in that artist s own stunning style showing how our understanding of birds continues to gain clarity even as some mysteries persist from Audubon s time until ours Good Birders Still Don't Wear White Lisa White,Jeffrey A. Gordon,2017-03-14 Avid North American birders share wit wisdom advice and what fuels their passion for birds Birding gets you outside helps you de stress exercises your body and mind puts your day to day problems in perspective and can be lots of fun Birders know this and in this collection of thirty seven brief essays birders from diverse backgrounds share their sense of wonder joy and purpose about their passion and sometimes obsession From the Pacific Ocean to Central Park from the

rainforest in Panama to suburban backyards no matter what their habitat what good birders have in common is a curiosity about the natural world and a desire to share it with others In these delightful essays each accompanied by an endearing drawing devoted birders reveal their passion to be fulfilling joyful exhilarating and maybe even contagious Contributors include many well known birders such as Richard Crossley Pete Dunne Kenn Kaufman Michael O Brien Bill Thompson and Julie Zickefoose and a portion of the proceeds goes to the American Birding Association North America s largest membership organization for active birders Good Birders Don't Wear White Lisa White,2007-04-23 David Sibley Don and Lillian Stokes and many more share their inside tips and witty observations on the birding life The biggest names in birding dispense advice to birders of every level on topics ranging from feeding birds and cleaning binoculars to pishing and pelagic birding in these lighthearted essays accompanied by illustrations Whether satirizing bird snobs or relating the traditions and taboos of the birding culture this collection of wisdom is as chock full of helpful information as it is entertaining The book is a delight to read and will generate new enthusiasm for the hobby The 25 black and white line drawings are hilarious Booklist
