## **Lifeguard Red Cross Manual 2006:**

**American Red Cross Lifeguarding** American Red Cross, 2012      *Aquatic Fitness Professional Manual* Aquatic Exercise Association, 2017-10-17

Aquatic fitness is not just for older adults or those with physical limitations. Water exercise is a proven fitness activity that is challenging and fun for all age groups and abilities. It offers reduced impact options for group exercise, small group fitness, and personal training. As the primary preparation resource for the certification exam of the Aquatic Exercise Association, the *Aquatic Fitness Professional Manual* Seventh Edition is the most comprehensive resource to help you design and lead effective exercise sessions in the pool. With contributions from 17 industry experts, you will learn how to energize your teaching with techniques and programs based on many popular fitness formats such as kickboxing, yoga, body sculpting, Pilates, walking, and jogging circuits, intervals, and sport-specific training. You will also find updated research on shallow and deep water exercise as well as new and revised content on the following: Specialty equipment such as bikes, treadmills, and gym stations intended for the aquatic environment; The latest interval training techniques including HIIT and Tabata; Water safety guidelines; Aquatics recommendations from organizations such as the Arthritis Foundation and the National Osteoporosis Foundation; Nutrition and weight management guidance that reflects the 2015-2020 Dietary Guidelines for Americans; Business and legal insights on compliance with insurance, music licensing, and the Americans with Disabilities Act (ADA). In addition, the *Aquatic Fitness Professional Manual* covers basic exercise science concepts including exercise anatomy and physiology. The text reviews injuries, emergencies, and working with special populations. For those preparing for the AEA Aquatic Fitness Professional Certification exam, you will find a detailed glossary and index along with review questions at the conclusion of each chapter to help you study. Nowhere else will you find the fitness applications and comprehensive programming you need in one convenient resource. The *Aquatic Fitness Professional Manual* contains essential foundational information on the components of physical fitness, group fitness teaching techniques, and the AEA Standards and Guidelines. Expand your teaching and career opportunities by cultivating the critical skills for leading safe, enjoyable, and effective aquatic exercise programs.

*The Science of Beach Lifeguarding* Mike Tipton, Adam Wooler, 2018-09-03

The World Health Organization's recently published Global Report on Drowning found that drowning is the third leading cause of unintentional injury death worldwide, making the information presented in this new book an important part of the global effort to reduce this health risk. Written by leading researchers and academics from around the world, *The Science of Beach Lifeguarding* focuses on the scientific evidence that underpins what is taught to and practised by beach lifeguards. It is the first book to pull together all the different areas involved in beach lifeguarding and evaluate their evidence base. An accessible and informative reference underpinned by the best current research, the book's key themes cover the context of beach lifeguarding, the physical environment in which lifeguards work, medical aspects, practical lifeguarding techniques, physiological standards for lifeguards, safety education, and future developments in beach

lifeguarding The book presents groundbreaking work quantifying the scientific rationale behind a universally accepted fitness standard It supplies an in depth examination of the risks and hazards associated with the beach environment including rip currents and cold water immersion The book includes a state of the art review of drowning and a comprehensive chapter on first aid Detailing the recently announced 2015 European Resuscitation Council Guidelines this book is a must have for beach lifeguards beach lifeguard managers search and rescue personnel paramedics sports scientists health and safety practitioners and occupational health practitioners **American Red Cross Lifeguard Training**
