What Big Data Can Tell Us About the Psychology of Learning and Teaching Ronnel B. King, Jiesi Guo, Ching Sing Chai, 2022-03-09 **The Keto Cure** Adam Nally, Jimmy Moore, 2018-04-10 The ketogenic diet isn't just a great tool for helping people lose weight and feel their best it's also an extremely effective method for treating the common diseases of civilization The Keto Cure will give readers the prescription they need to heal their bodies by eating plenty of fat and moderating protein and carbs Dr Adam Nally has been advocating a low carb high fat diet in his clinical practice for more than fifteen years helping people address their health problems by

making better food choices Dr Nally and bestselling low carb author and podcaster Jimmy Moore have worked together to create a top 50 health podcast espousing the benefits of eating keto Now for the first time Dr Nally has teamed up with Moore to take his years of clinical experience put everything down on paper and create a how to guide that details all the ways in which the ketogenic diet can help remedy common ailments The Keto Cure details the science behind the keto diet s effectiveness at treating a wide range of diseases including Alzheimer s epilepsy fatty liver disease hypercholesterolemia hypertension Parkinson s disease thyroiditis type 2 diabetes and many more The Keto Cure also outlines practical tips gleaned from Dr Nally s fifteen plus years in medical practice as well as Moore s ten plus years as a health and wellness podcaster on overcoming the common pitfalls that people experience when adapting to a high fat way of eating including fatigue and keto flu This helpful information combined with a wide variety of delicious keto recipes from international bestselling cookbook author Maria Emmerich makes The Keto Cure a complete resource for healing yourself with the ketogenic diet

Social Studies Education in East Asian Contexts Kerry J. Kennedy, 2020-07-28 The book explores the state of social studies education within selected East Asian societies and provides some insights into distinctive classroom practices In an increasingly volatile and unpredictable world the education of young people who both understand the contexts in which they are growing up and see the need for engaging with them is a top priority This task falls to social studies education which carries the responsibility for inducting young people into their social world and helping them to see the role they can play within it This is particularly important in East Asia where strong economic growth long held cultural values and diverse political systems create an environment that challenges young people on multiple fronts This book with its team of regional authors shows how different societies in the region are dealing with these challenges and what can be expected from future citizens The book will appeal to policy makers researchers and teachers interested in the current state of social studies education in East Asian societies
