*NieR Automata Companion Guide & Walkthrough* Amotimafhation, 2023-11-27

**THE NEW POINT GUIDE 2023** This is the most comprehensive and only detailed guide you will find Our guide to NieR Automata describes this rather unusual and extensive production of the NieR Games studio Information and hints found in the guide will help you understand the basics of the game complete all tasks and discover all the available content The Basics guide will help you learn the gameplay mechanics of NieR Automata It describes such elements as combat world exploration availability and development of playable characters online elements or death and its consequences In addition to the information on the main pages of the guide we also have the FAQ chapter which explains e.g. how to save the game how to use fast travel how to heal how to install chips or how to fish We recommend reading all the FAQ and guide pages as not all the mechanics of the game are presented in an accessible way and it is easy to miss something or not use the full potential of the characters Our guide to NieR Automata also has a walkthrough of all main and side missions The descriptions of individual quests have information on e.g. how to defeat bosses how to reach the objectives of the mission and what rewards are provided for completing them The walkthrough has been further divided into subsections focusing on different Routes for various playable characters We also have lists of major and minor endings along with information on the requirements for unlocking them In addition to the large chapters the guide also includes several smaller ones We have prepared e.g. a trophy guide with detailed instructions on how to unlock the platinum trophy as well as information on controls system requirements
