Nathaniel Jones Transformation Tome:

Intentional Transformation Nathaniel Jones, 2023-07-14 In his first study book Nathaniel Jones delves into the principles strategies and challenges of studying meditating and applying the Word of God to our everyday lives It is in these consistent sincere and often imperfect efforts that we will develop a deeper relationship with our loving Heavenly Father In this soul transforming work Nathaniel builds upon God's foundational principle of love It is love that captivates and motivates us such that we yearn for it and it only It was this epiphany despite years of being a pastor church leader husband father and son that he began to grasp and embrace what he felt had been underemphasized in his ministry With a renewed enthusiasm for the transformational work he was witnessing in his own life he began sharing these enlightenments with others This study is to inspire a personal relationship with God It is not to support our religious beliefs or denominational doctrine but to help us learn know and live the truth and walk in love Part of our conundrum is having a relationship with someone with whom we have no conventional physical connection A personal relationship with God requires surrendering to the Spirit of God and intentionally studying His Word while also being transparent reverentially relaxed and open with Him He knows everything yet wants a loving not merely transactional relationship with us He wants to hear our voices and He wants us to know His will It is in these times that we can share our thoughts stories traumas etc with the One Who gets us for with Him we are always safe emotionally and otherwise It is in our relationship with Him that we begin to truly know who we are as His children the seed of Abraham through Jesus Christ In this way we become the people God created us to be and live the successful joyful and peaceful lives we truly want and that He intends for us to live Iconic Leaders in Higher Education Roger L.
