*Natural Networking* Kevin Doolan, Alexis Caught, 2014-12-03 We've all heard it. It's not what you know, it's who you know. But how do you get to know the right people? Business experts Kevin Doolan and Alexis Caught pull back the curtain on networking and reveal that the best networking is not schmoozing but finding natural connections and creating mutually supportive relationships. And there's more good news: you don't have to be an extrovert or a smooth talker to work a room. The truth is that anyone can learn this skill and to overcome their fears. Beginning with finding your focus, your passion, not just your job title, Natural Networking takes you on a journey that leads you further along and higher up in your dream career. Learn how having a clear focus helps you easily identify the people whom you should contact. Then discover the art of making lasting connections as well as the science behind making a great first impression. Networking doesn't have to be hard, scary, or fake. In fact, after reading this guide, you will see just how easy, fun, and natural it can be. The secret to great networking is not in seeking what you can get but in discovering what you have to offer. Start your journey towards success with Natural Networking. *Invisible No More: The Proven System for Founders to Build a Magnetic Personal Brand That Wins Trust and Capital* Lillian Ashbourne, 2025-09-09
