

“Tahiti” Necklace

Materials needed:

1 oz of pink seed beads, size 11⁰
1 oz of lavender seed beads, size 11⁰
1/3 oz of purple seed beads, size 11⁰
330 gold bugles

Estimated time:

4 - 6 hours, depending on your experience.

This design will not only produce a wide, spectacular collar-type necklace, but is actually very easy to make. There aren't any special tricks; it is all done using simple vertical netting. Pay attention to the top connection points. There are two seed beads—one before and one after each bugle. They are very important, for they prevent the bugles from cutting the thread. You can modify the fringe as you like.

Leave the thread on the spindle and start beading according to the diagram in *Picture 103*. Repeat the pattern between beads as many times as you can with the thread you are working with. Attach the clasp and finish off the thread. Turn your beadwork over and, using the thread we left on the spindle, finish the other side of the necklace.
