In addition to *Misty of Chincoteague*, Marguerite Henry has written a number of books about horses. *King of the Wind*, *Mustang - Wild Spirit of the West*, *Justin Morgan Had a Horse*, and *Born to Trot*, are just a few of her stories.

It is evident she likes to write about horses and probably not far off track to say she loves horses. Her stories usually involve children who love, nurture and respect their horses. These characters mature by way of the challenges and sacrifices they encounter caring for their ponies.
