Bhargava, 2010-02-02 An extraordinary and rare insight into how a few determined entrepreneurs created an icon C K Prahalad The targets were stupendous and considered unachievable by almost everyone Slightly over two years to find a suitable partner finalize all legal documentation get governmental approval to these agreements as well as to the investment proposals build a factory develop a supplier base to meet localization regulations create a sales and service network and develop and launch a peoples car that would sell 100 000 a year in a sector where Indian expertise was limited And to do this as a public sector company having to follow all governmental systems and procedures and having to please both its masters in the government and Suzuki Motor Corporation However the Maruti project succeeded and in ways that were unimaginable in 1983 The car revolutionized the industry and put a country on wheels Suddenly ordinary middle class men and women could aspire to own a reliable economical and modern car and the steep sales targets were easily met Twenty six years later the company now free of government controls and facing competition from the worlds major manufacturers who have entered the Indian market still leads the way Not only that cars made by Maruti can be seen in all continents By any yardstick it is an incredible story involving grit management skill and entrepreneurship of a high order R C Bhargava who was at the helm of the company and is currently its chairman co writing with senior journalist and author Seetha shows how it was done in this riveting account of a landmark achievement *International Conference on Multi disciplinary Technologies and challenges in Industry 4.0* Dr. Prakash s, dr. Management and Labour Studies, 1999 Impossible to Possible R.C. Bhargava, 2024-01-18 IN 1981 A COMPANY WAS formed that quite unbelievably led to the creation of a modern car industry in India The company was Maruti and its experiences have relevance far beyond the car industry extending to the entire manufacturing segment Its success is all the more remarkable as Maruti started out as a public sector company but with a Japanese partner an almost certain recipe for failure given the cumbersome bureaucratic procedures and socialistic ideology that were prevalent Moreover the component industry needed to support its ambitious plans 100 000 cars annually was fragmented and technologically obsolete Today India has become the third largest automotive market in the world and a major exporter of cars Maruti itself ranks among the biggest manufacturers and is set to double its capacity to 4 million cars by 2030 As R C Bhargava who has been with the company from its inception emphasises Maruti s learnings apply not just to one industry but more crucially to India s growth aspirations Manufacturing is the cornerstone of these making Impossible to Possible one of the most important books to come out on the subject of management and development India Today, 1999 **Driven** Jagdish Khattar, 2014-11-15 An epic triple treat stories from a civil servant corporate captain and businessman Jagdish Khattar has had an astonishingly diverse career a trained lawyer who became an IAS officer He was an agent of change in Uttar Pradesh through his roles as district magistrate and head of the cement and transport corporations He also helmed India s Tea Board in London and played a key role in the steel ministry Elevated to the post of MD with Maruti Udyog a firm that was on the verge of a steep decline Khattar braved labour unions foreign competition and politicians as he led Maruti to a very successful IPO Finally at

the age of sixty five Khattar turned entrepreneur with Carnation India s first multi brand car sales and servicing network
Driven spreads across a sweeping national canvas from drought hit villages to the Shakespearean intrigues of politicians and
bureaucrats Written with flair and liberally peppered with frank anecdotes it is filled with lessons about leadership
