Publishing Inc **Catalogue of the Lady Ludlow Collection of English Porcelain at the Bowes Museum** Anne McNair,Patricia Begg,Bowes Museum,2007 The Lady Ludlow collection of English Porcelain forms one of the greatest assemblages of 18th century English Porcelain in the world It comprises about five hundred pieces of Bow Chelsea Derby and Worcester porcelain and from other factories as well as some ancillary pieces that take the story of English porcelain into the early 19th century Formed between the two world wars it reflects both the taste of its time and the unrivaled buying opportunities that were available in what may now be seen as a time of plenty What the Victorians Made of Romanticism

Tom Mole,2017-10-17 This insightful and elegantly written book examines how the popular media of the Victorian era sustained and transformed the reputations of Romantic writers Tom Mole provides a new reception history of Lord Byron

Felicia Hemans Sir Walter Scott Percy Bysshe Shelley and William Wordsworth one that moves beyond the punctual historicism of much recent criticism and the narrow horizons of previous reception histories He attends instead to the material artifacts and cultural practices that remediated Romantic writers and their works amid shifting understandings of history memory and media Mole scrutinizes Victorian efforts to canonize and commodify Romantic writers in a changed media ecology He shows how illustrated books renovated Romantic writing how preachers incorporated irreligious Romantics into their sermons how new statues and memorials integrated Romantic writers into an emerging national pantheon and how anthologies mediated their works to new generations This ambitious study investigates a wide range of material objects Victorians made in response to Romantic writing such as photographs postcards books and collectibles that in turn remade the public s understanding of Romantic writers Shedding new light on how Romantic authors were posthumously recruited to address later cultural concerns What the Victorians Made of Romanticism reveals new histories of appropriation remediation and renewal that resonate in our own moment of media change when once again the cultural products of the past seem in danger of being forgotten if they are not reimagined for new audiences **Antiques Price Guide, 2005** Antiques price guide (N.Y.), N.Y.),(Judith Henderson), .
