EQ Genius Gloria Moses,2016-02-23 Almost everyone is

familiar with IQ or Intelligence Quotient a measurement of intelligence arrived at by tests of reasoning and comprehension A little less well known is EQ which refers to emotional intelligence We know what emotions are happiness sadness fear anger boredom surprise but what specifically is the meaning of emotional intelligence Simply put emotional intelligence is the ability to perceive understand express and control emotions At the most basic level perception being in touch with your emotions as well as the emotions of others When you feel bad do you know specifically what you are feeling Is it anger fear anxiety sadness or just boredom How accurately you can evaluate your feelings is a measure of emotional intelligence Another important component is how well you can correctly identify the emotions of others Most of us tend to do this subconsciously through the observation of facial expressions body language and vocal tone as well as consciously by listening to what others say however if those to whom you are listening are not well in touch with their own emotions or have a reason to be duplicitous about how they are feeling it's best to go with the non verbal cues
