MEMORANDUM FOR: Deputy Director (Support)

SUBJECT : Inspector General's Report on the CIA Training Program

REFERENCE : Memo dtd 5 Oct. 1960 to D/Sec fr DD/S, subj: "Responses of DD/S Office Heads and Staff Chiefs to the Inspector General's Report on Training in CIA"

1. This memorandum is for your information.
2. Enumerated below are the Office of Security's reactions to the subject report presented in the manner suggested in the referenced memorandum.
3. Office of Security Reaction To The Contents Of The Report As A Whole:

Extremely well written, the Inspector General's report does three things: projects an image of CIA's over-all training program; effects an evaluation of its effectiveness; and finally, by thirty-six specific recommendations, prescribes remedies for the perceived ills in the current training efforts. By employing an ambitious research approach, an impressive volume of factual material on CIA training has been surfaced. By using a sound outline and clear exposition, the mass of facts emerge in a tightly organized package that effectively portrays the over-all anatomy of CIA's training program and successfully identifies many of its strengths and weaknesses. In its third dimension, prescribing remedial actions, the report appears to enjoy uneven success.

While many of the recommendations, particularly those stressing the need for greater definition of training objectives and requirements, now and in the future, seem of obvious value, certain others, notably in the area of the JOT Program, appear highly suspect and in some cases totally objectionable.
