He therefore made one last effort to reform me. He one day invited me to go to the theatre. Before the play we were to dine together at the Holborn Restaurant. It was a very big company of diners in the midst of which my friend and I sat sharing a table between us. The first course was soup. I wondered what it might be made of but dared not ask the friend about it. I therefore summoned the waiter. My friend saw the movement and sternly asked across the table what the matter was. With considerable hesitation I told him that I wanted to enquire if the soup was a vegetable soup.
