Kangaroo Pilot An Uncommon Journey Home:

Kangaroo Pilot Ann Gray,2014-12-05 Most people experience a few unpleasant childhood memories but Dani Le Clerc has unusually heavy baggage Her uncle raised her after she witnessed the brutal murder of her mother and twin sister She grows up around her uncle s flight school and by the time she s a teenager she s a pilot Her passion for the skies will lead her to seek romantic love in all the wrong places namely in the arms of a handsome former air force pilot Moss Brogan When Dani finds out she s pregnant with Moss s child she also finds out Moss has lied to her The shock of his deception and a terrible flying accident leave the struggling single mother in dire straits and severely heartbroken As Dani faces life alone with more emotional and physical scars than most people could bear she learns to call on her own strength Her son will follow her into the sky and make her dedication worth it in ways she could have never imagined When Dani comes face to face with the past however she ll need to decide if she s willing to risk her heart for another chance at love Kangaroo Dundee Chris

Barns,2013-11-21 Brolga aka Chris Barns is the 6ft 7in strong but sensitive Aussie star of the extraordinary BBC series Kangaroo Dundee Brolga lives in a simple tin shed in the outback where he raises orphaned baby kangaroos It is a sad fact of life that kangaroo mothers are at the mercy of speeding cars in this part of the world killed on the road their young still tucked up in their pouches These young joeys holding on to life have been given a second chance thanks to the kindness and dedication of Brolga who carefully retrieves them and nurses them back to health Brolga has been rescuing these special creatures for years slowly and painstakingly creating a kangaroo sanctuary for the many kangaroos he has saved reared and loved He has dedicated his life to observing how kangaroo mums care for their babies and does everything he can to replicate this The baby kangaroos traumatised by losing their mother so early are tucked up into pillow cases and kept warm and comforted next to Brolga at night We see him getting up at 4am to bottle feed them washing them in a little tub taking them to the supermarket and generally mothering them with heart breaking tenderness Charting Brolga s life with the joeys and honing in on his relationship with one or two in particular Kangaroo Dundee tells the heart warming sometimes funny sometimes poignant story of one man s unique relationship with a group of extraordinary animals *The Aeroplane* ,1919

From F-4 Phantom to A-10 Warthog Steve Ladd,Steven K. Ladd,2020-09-30 This behind the scenes account of a USAF career is an absorbing read written with the classic humor fighter pilots seem to have Flight Line Book Review From Baron von Richthofen to Robin Olds the mystique of the fighter pilot endures The skill cunning and bravery that characterizes this distinctive band of brothers is well known but there are other dimensions to those who take to the skies to do battle that have not been given the emphasis they deserve until now You don t have to be an aviation aficionado to enjoy Colonel Steve Ladd s fascinating personal tale woven around his twenty eight year career as a fighter pilot This extremely engaging account follows a young man from basic pilot training to senior command through narratives that define a unique ethos From the United States to Southeast Asia Europe to the Middle East the amusing and tongue in cheek to the deadly serious and

poignant this is the lifelong journey of a fighter pilot The anecdotes are absorbing providing an insight into life as an Air Force pilot but in this book as Colonel Ladd stresses the focus is not on fireworks or stirring tales of derring do Instead this is an articulate and absorbing account of what life is really like among a rare breed of arrogant cocky boisterous and fun loving young men who readily transform into steely professionals at the controls of a fighter aircraft This book will appeal to a variety of readers with its Vietnam War combat stories and accounts of flying the Warthog in Cold War Europe Fun flying international experiences you won t want to put it down Aviation News *The Aeroplane and Astronautics* ,1920
