The Autocar ,1970 Policies to Boost Australian Saving Owen Covick,2002 Most Australian wage and salary earners are now required by the Commonwealth government to save nine per cent of their earnings and to have that money locked away until they reach a prescribed age Why is that Why are Australia s self employed not subject to the same requirements Is the system fair Does it create distortions to economic efficiency Should we have less stick and more carrot in our public policy arrangements regarding national saving Or vice versa These are the issues of public policy addressed in Policies to Boost Australian Saving Phone Book ,1992 **Australian National Bibliography** ,1991 *Road and Track* ,1991

helpful mates in the bush who had made a vow to help resolve Bill's biggest problem finding a woman to love him. Then there are all the other interesting stories that just sort of happened around Bill. Remember these are all true stories. Please do enjoy the reading as I did in writing them.
