diverse academic and nonacademic worlds to explore how Austen's readers experience and process her novels' erotic power. Are Jane Austen's novels sexy? For many Austen lovers the answer is a resounding Yes. From the moment Colin Firth stripped down to his breeches and shirt in the 1995 BBC *Pride and Prejudice* screen adaptations inspired by Austen's novels have banked on their ability to depict sexual tension and romantic desire. Meanwhile the success of spin-offs, sequels and elaborations confirms that Austen's novels have become a potent aphrodisiac for everyday readers. Clearly the fourteen million viewers who watched Firth's unveiling were onto something. Austen's novels turn people on. Jane Austen: Sex and Romance. Engaging with Desire in the Novels and Beyond brings together a range of voices from literary scholars to video game designers to explore how different types of readers experience the realm of desire and the erotic in all things Austen. In this timely collection writers, critics, journalists and authors of internet content weigh in on sex and romance in Austen's works and in the conversations and creations the novels inspire from sequels to critical analyses to online role playing games. Contributors examine what is at stake for each set of Austen enthusiasts when Eros is added to the equation in so doing building on the long tradition of Austen criticism and enriching our appreciation of the novels. 1 things Austen. Why Do We Care about Literary Characters? Blakey Vermeule, 2010-01-01 Blakey Vermeule wonders how readers become involved in the lives of fictional characters: people they know do not exist. Vermeule examines the ways in which readers' experiences of literature are affected by the emotional attachments they form to fictional characters and how those experiences then influence their social relationships in real life. She focuses on a range of topics from intimate articulations of sexual desire, gender identity, ambition and rivalry to larger issues brought on by rapid historical and economic change. Vermeule discusses the phenomenon of emotional attachment to literary characters primarily in terms of 18th century British fiction but also considers the postmodern work of Thomas Mann.

J M Coetzee Ian McEwan and Chinua Achebe From the perspective of cognitive science Vermeule finds that caring about literary characters is not all that different from caring about other people especially strangers The tools used by literary authors to sharpen and focus reader interest tap into evolved neural mechanisms that trigger a caring response This book contributes to the emerging field of evolutionary literary criticism Vermeule draws upon recent research in cognitive science to understand the mental processes underlying human social interactions without sacrificing solid literary criticism People interested in literary theory in cognitive analyses of the arts and in Darwinian approaches to human culture will find much to ponder in *Why Do We Care about Literary Characters* *Expanding Austenland* Áine Madden,2024-01-13 *Expanding Austenland* The *Pride and Prejudice* Fanfiction Archive explores Jane Austen's reception in popular culture through an exploration of the ever expanding terrain of online fanfiction professionally published profic texts and other intertextual reworkings inspired by the author's most popular novel *Pride and Prejudice* The book argues that given its pervasiveness *Pride and Prejudice* could be usefully considered not as a single novel but as an entire archive of interrelated texts or as a portal that opens a virtual world for readers to expand and explore By examining the *Pride and Prejudice* archive of interrelated texts this book analyses the process through which an individual novel can develop a virtual life or afterlife The evolving world that is opened by *Pride and Prejudice* and extended and enriched through fanfiction is conceptualised in the monograph as *Austenland* **Obsession** Jann Rowland,2016-02-02 Banished from her home at the age of seventeen for refusing a marriage proposal from an odious man Elizabeth Bennet moves to London to live with her aunt and uncle Gardiner Though fighting feelings of hopelessness Elizabeth attempts to be happy The persistence of her unwanted suitor however upsets the balance she has achieved with her relations leaving her fearful for her future An introduction to Mr Gardiner's new business partner allows Elizabeth to make a new acquaintance with a pleasant man and his family bringing some much needed variation to her colorless life But when she is approached by a mysterious stranger who wishes to know more of her Elizabeth can only allow herself to be caught up in the excitement of the moment and his apparent interest Unfortunately her other suitor still lurks in the background waiting for his chance to snare her It soon becomes clear to Elizabeth that others see as interest the reality is much more sinister and takes all the appearance of an OBSESSION Mr Bennet I insist upon being satisfied Your daughter has refused Mr Pearce again and we cannot allow such willful disobedience Mr Darcy released a self deprecating laugh I have indeed I also rode along the street in the direction you walked hoping to catch sight of you I had almost despaired of seeing you again but it appears all my attempts have been worthwhile considering our meeting here today You are mad sir I shall never go willingly with you and you are senseless to think that Mr Darcy will simply give me up The new *Pride and Prejudice* variation *Obsession* is only a click away *Claimed by Mr. Darcy* Demi Monde,2025-05-06 He married her out of duty He loved her in silence Until desire demanded more When scandal forces Elizabeth Bennet into a hastily arranged marriage with Fitzwilliam Darcy she finds herself mistress of Pemberley and prisoner of a husband who

keeps her at arm's length. Duty not desire seems to bind them until a hidden sketchbook reveals the truth Darcy has coveted her from the start and their marriage of obligation was his long awaited chance to claim her. Trapped in a house filled with secrets and longing Elizabeth must navigate pride passion and the unbearable intensity of a man who would rather sacrifice happiness than confess his desire. When her discovery sparks a collision between duty and love will Elizabeth seize the power hidden in Darcy's obsession or lose herself to a marriage built on unspoken truths. A slow burn angst laced Pride and Prejudice variation featuring forced marriage unrequited longing a possessive hero and the fantasy of being secretly and completely desired.

I Only Want to Be with You Lisa Norato, 2007 In this romantic comedy an American woman in England is looking for a fling but finds herself falling for a man who definitely doesn't do flings a vicar.

Sydney Studies in English, 2005 Work in Progress Kat Mackenzie, 2025-01-14 A warm sexy laugh out loud rom com about a woman who desperate for a fresh start books a literary bus tour across the UK that consists of a lively group of elderly ladies plus one infuriatingly handsome Scottish driver. UK Bus Trip Goals Crawl out of pajamas Get over cheating bastard and his stupid ironed jeans Have my first real adventure Achieve stability strength and growth Definitely do NOT kiss any British men Alice loves a good list But careful planning didn't stop her from losing her job and her fiancé in one fell swoop With her dreaded 30th birthday looming on the horizon Alice makes the first impulsive decision of her life booking a flight to the UK for a three week all female literary bus tour. What could possibly go wrong Turns out everything Alice arrives to discover that this tour isn't what she expected. At all. Instead of cool globe trotting thirtysomethings with meaningful tattoos she finds a rickety antique bus full of fluffy haired octogenarians. And to make matters infinitely worse the tour guide makes her blood boil. And that devilish grin of his tells her he's dead set on making her trip a misery. But as they travel from castle ruins to cozy pubs Alice may just find that she's got it all wrong. The ladies are vivacious The book club chat is on fire And damn if that mischievous smile doesn't threaten to turn her world upside down and her beloved list right along with it.

Excessively Diverted Juliette Shapiro, 2002 Newlyweds Mr and Mrs Fitzwilliam Darcy begin their married life at Pemberley quite blissfully but it is not long before the tranquillity they relish is cut short by a series of traumas. The formidable Lady Catherine de Bourgh makes little attempt to hide her disdain for her nephew's wife. She is joined by Caroline Bingley as sharp tongued and resentful as ever in the shared amusement of criticising Elizabeth. But the new mistress of Pemberley soon has more pressing matters on her mind the fact that she is carrying the Darcy heir being the most pleasant of them. The sudden return of her sister Lydia brings cause for concern Alarming reports of a seduction blackmail and the need to keep news of another's confinement secret dampen even Elizabeth's notoriously high spirits and Darcy shows his true character when faced with the most difficult decision of his life. Has he been softened by his love for Elizabeth or is his former remoteness about to be resurrected.
