Plus** Katie Morris,2014-10-06 The latest iPhone models were released on September 19th in the United States and the  
United Kingdom and according to Apple are the biggest advancements in iPhone history It s a clever play on words as the  
new models both sport much larger screens than the iPhones of yesteryear Whereas the iPhone 4S and below had a meager 3  
5 inch screen considered generous at the time the iPhone 5 5S and 5C were stretched out to 4 inches Faced with stiff  
competition from Android flagships that have long featured big screens the iPhone 6 and 6 Plus are Apple s authoritative  
answer to the growing number of iOS fans restlessly awaiting their own big phones The new phones are powered behind the  
scenes by Apple s latest software release iOS 8 which also brings many features and changes with it This guide is designed to

walk you through the most important parts of the phone from the basics and learning how to navigate through the phone to more advanced features like setting up email accounts and understanding what the cloud really is Towards the end a list of the 20 top paid and free applications will be available to add many different functionalities to your phone once you are comfortable enough with it
