June Staar Raw Score Conversion Charts:

Dual Language Education: Teaching and Leading in Two Languages David E. DeMatthews, Elena Izquierdo, 2019-05-13 This book provides a comprehensive and interdisciplinary examination of dual language education for Latina o English language learners ELLs in the United States with a particular focus on the state of Texas and the U S Mexico border The book is broken into three parts Part I examines how Latina o ELLs have been historically underserved in public schools and how this has contributed to numerous educational inequities Part II examines bilingualism biliteracy and dual language education as an effective model for addressing the inequities identified in Part I Part III examines research on dual language education in a large urban school district a high performing elementary school that serves a high proportion of ELLs along the Texas Mexico border and best practices for principals and teachers This volume explores the potential and realities of dual language education from a historical and social justice lens Most importantly the book shows how successful programsand schools need to address and align many related aspects in order to best serve emergent bilingual Latino as from preparing teachers and administrators to understanding assessment and the impacts of financial inequities on bilingual learners Peter Sayer The Ohio State University USA
