Fernando M. Reimers

June Exam Grade 12 Limpopo Time Table:

Schools and Society During the COVID-19 Pandemic Fernando M. Reimers, 2023-09-20 This open access book provides an analysis of the effects of the COVID 19 Pandemic on diverse education systems and of the results of the policies adopted to sustain educational opportunities Through a series of diverse national case studies the book examines the preexisting fragilities and vulnerabilities in educational structures which shaped the nature of the varied responses around the world to teaching and learning during the worst crisis in public education in recent history The chapters in the book take stock of how educational opportunities changed in various education systems around the world as a result of the Covid 19 pandemic answering the question of what did education systems and societies learn about education as a result of the pandemic The book covers diverse education systems with varying levels of resources and facing distinct education challenges including Brazil Chile Finland Japan Mexico Norway Portugal Russia Singapore Spain South Africa and the United States

The Education Triple Cocktail Brahm Fleisch, 2018-08-15 The Education Triple Cocktail brings together rigorous quantitative and qualitative research on a new approach to improving foundational teaching and learning for schoolchildren living in working class poor and remote rural communities in resource constrained systems like South Africa At the core of this book is the theory and evidence for a powerful new interlocking and mutually reinforcing change model Inspired by the AIDS treatment story the three pronged approach of structured daily lesson plans appropriate and high quality educational materials and one on one instructional coaching to help teachers transform their instructional practices in early grade classrooms shows that it will improve learning outcomes For education systems defined by low levels of early grade learning and profoundly unequal outcomes The Education Triple Cocktail offers a theoretically informed evidence based way forward This book will be of immense use to teachers students of Education policymakers and parents
