**The First \$100k** Louise Allison, 2024-11-19 Do the terms dollar cost averaging and dividend reinvestment make your head spin How about debt consolidation Don't make that face I see you making that face What if learning to manage your money was easy And fun Yeah I said it Fun Most of us are scared to take control of our finances because we don't know what that means or how to do it We were never taught to our partners always did it for us we don't have enough money to manage it's too late to learn But it's never too late and The First 100K makes learning about money management easy and fun Whether you have specific goals like paying off credit card debt saving for a new home or planning your retirement paddleboarding on Lake Como this book will give you straightforward steps to get there Yes even to Lake Como From creating a budget you'll actually follow to understanding debt and how to pay it off the book shares

practical advice and resources to help you get your financial house in order. It goes on to cover the basics of savings, that thing you do when you're not buying fancy paddleboard equipment, how to grow your money to meet your goals, and what to do with the money once you've started saving it. It explains investing in easy-to-understand terms, no jargon, pinky swear. Decoding what different kinds of investments mean, how they can help you meet your goals, and how to get started with them. Using simple steps, helpful graphics, and entertaining examples, this book will demystify personal finance, empowering you to make the right decisions to improve your financial health. And get to Lake Como, obviously. By the end of the book, you'll be dollar-cost averaging and dividend reinvesting like the debt-consolidating superstar you are.
