**Aliens and Us Are We Prepared Yet?** Vikas Gupta,2010-04-23 The subject of aliens is not a new one and has been around for a really long time now We talk about it all the time News and articles about the possibility of alien visits or attacks are everywhere Perhaps this has become so common that people have started to shrug it off thinking this is just one of those science fiction topics that media loves to sensationalize If all of a sudden we have an alien encounter one day are we psychologically prepared for this Like many of you even I think we are not In fact we might be in a state of shock as they might turn out to be completely different from any of our imaginations about them But if we are prepared for anything then such an alien encounter might not be shocking The objective of this book is to prepare its readers psychologically to deal with the subject of aliens and the first alien encounter In other words aiming to prepare humanity with the cope of a possible shock upon an impending alien encounter There are a lot of mysteries in this world that might have some paranormal behavior associated to them but they are kind of scattered and appear here and there In other words although these mysteries have been documented well enough by a lot of people from time to time but they do not appear related This book attempts to bring together these mysteries and relate them with one possible explanation that is common the alien connection Also it is trying to bring this subject out from the confines of a circle of scientists subject experts and enthusiasts to a common person So this book is for a common man by a common man      **The Exorcist Effect** Joseph P. Anaedozie,2019-12-03 This book examines the contemporary operational and theoretical parameters of Pan Africanism and black nationalism in the post civil rights era It uses the Nuwaubian movement as a case study to explore this essential strand in African Diasporan history culture and tradition The author argues that the Nuwaubian Nation like their contemporaries such as the Nation of Islam

represents contemporary efforts of African descendants to dialectically and culturally fight oppression He argues that unlike the classical Back to Africa movements the contemporary ones do not seek to primarily relocate to Africa but to go to Africa culturally and bring back Africa to the diaspora This effort can be seen in the Nuwaubian attempts at unearthing and importing classical African traditions mores and values in their in their various communities across the United States especially in Eatonton Georgia Their aim was to chart an identity for their adherents and inspire racial pride for people of African descent Black Love Who Stole the Soul? **Recommendation 666** Herbert Peters,2003 Bible prophecy gives us signs of the end times Just like road signs they come closer together as we near the end According to the Bible in the last days in a time when Israel has been restored as a nation a 10 nation confederacy will appear on the European continent It will be a revival of the Roman Empire From this confederacy one man will rise to power He will make a seven year agreement with Israel that he will break in three and a half years This man is known as the Antichrist and in some way he will be identified with the number 666 Are You Sitting Down What if I said that an important warning sign about the rise of the Antichrist began occurring in 1992 but it has been completely overlooked And what if I told you that the 10 kings of Daniel and Revelation may have already been on scene since 1995 but no one has noticed Not only that but a powerful new office has been created that could soon belong to the Antichrist And it happened with Assembly Recommendation 666 Hang on because that s exactly what I m going to tell you
