Male Tailoring Cutting Guide:

Expert's Guide To Men's Tailoring Sven Jungclaus, 2022-12-02 Any body shape is normal Instead of forcing the customer into a norm as it happens in the clothing industry with its ready to wear sizes bespoke tailoring adapts to the people Each body is individual and unique There are no extraordinary body shapes in bespoke tailoring There is also no norm that should be particularly emphasized since every customer brings challenges In this book the proven step by step instructions ensure that even less experienced pattern designers can work out the ideal fit for men with trained muscles or a pronounced belly to make jackets pants etc based on individual body measurements Master tailor Sven Jungclaus has refined his know how over the years in a practical way and is now passing on this knowledge in a way that is easy to understand *Guide to men's tailoring, Volume 2 (black & white)* Sven Jungclaus, 2025-05-05 Step by step to a handmade men s jacket Hundreds of steps and thousands of hand stitches are necessary before you hold a finished men s jacket in your hands The trick is to follow the correct order of the individual steps and combine traditional and modern processing methods As in the first volume of our men s tailoring books How to make shirts trousers and vests step by step instructions in this book with numerous photos and drawings lead safely through the fittings to the finished garment Detailed explanations ensure that you always keep an overview This book is intended for advanced users with a few years of sewing practice But even beginners can make use of the know how of individual chapters The way to the finished jacket is not short but with the help of the tips and tricks from master tailor Sven Jungclaus and a little practice first sewing successes can be achieved quickly **Cutting for All!** Kevin L. Seligman, 1996 Containing 2 729 entries Kevin L Seligman s bibliography concentrates on books manuals journals and catalogs covering a wide range of sartorial approaches over nearly five hundred years After a historical overview Seligman approaches his subject chronologically listing items by century through 1799 then by decade In this section he deals with works on flat patterning draping grading and tailoring techniques as well as on such related topics as accessories armor civil costumes clerical costumes dressmakers systems fur gloves leather military uniforms and undergarments Seligman then devotes a section to those American and English journals published for the professional tailor and dressmaker Here too he includes the related areas of fur and undergarments A section devoted to journal articles features selected articles from costume and noncostumerelated professional journals and periodicals The author breaks these articles down into three categories American English and other Seligman then devotes separate sections to other related areas providing alphabetical listings of books and professional journals for costume and dance dolls folk and national dress footwear millinery and wigmaking and hair A section devoted to commercial pattern companies periodicals and catalogs is followed by an appendix covering pattern companies publishers and publications In addition to full bibliographic notation Seligman provides a library call number and library location if that information is available The majority of the listings are annotated Each listing is coded for identification and cross referencing An author index a title index a subject index and a chronological index will

guide readers to the material they want Seligman's historical review of the development of publications on the sartorial arts professional journals and the commercial paper pattern industry puts the bibliographical material into context An appendix provides a cross reference guide for research on American and English pattern companies publishers and publications Given the size and scope of the bibliography there is no other reference work even remotely like it Modern men's tailoring Sven Jungclaus,2021-11-18 Bespoke tailoring A good silhouette is the DNA of a garment a kind of architecture for textile ideas In this book practical step by step instructions ensure that inexperienced cutters can work out the perfect fit on average body shapes for a suit a coat pants and more based on individual body measurements From many years of experience the internationally active tailor and master of this craft Sven Jungclaus passes on his professional knowledge to those who are interested Because The gentleman of today is wearing custom made **Guide to men's tailoring, Volume II** Sven Jungclaus,2025-05-23 Step by step to a handmade men's jacket Hundreds of steps and thousands of hand stitches are necessary before you hold a finished men's jacket in your hands The trick is to follow the correct order of the individual steps and combine traditional and modern processing methods As in the first volume of our men's tailoring books How to make shirts trousers and vests step by step instructions in this book with numerous photos and drawings lead safely through the fittings to the finished garment Detailed explanations ensure that you always keep an overview This book is intended for advanced users with a few years of sewing practice But even beginners can make use of the know how of individual chapters The way to the finished jacket is not short but with the help of the tips and tricks from master tailor Sven Jungclaus and a little practice first sewing successes can be achieved quickly **The Costume Technician's Handbook** Rosemary Ingham,Liz Covey,2024-03-11 Since its first publication in 1980 The Costume Technician's Handbook has established itself as an indispensable resource in classrooms and costume shops Ingham and Covey draw on decades of hands on experience to provide the most complete guide to developing costumes that are personally distinctive and artistically expressive No other book covers the same breadth of necessary topics for every aspect of costuming from the basics of setting up a costume shop to managing one and everything in between Men's Garments, 1830-1900 Ronald I. Davis,1994 A guide to pattern drafting for men's period costume measurement and construction of dress coats frock coats and morning coats jackets trousers waistcoats and top coats fully detailed Revised includes tailoring notes alternate style and design cross reference more detailed patterns and over 175 costume illustrations fashion plates photos and drawings Back cover A Pickpocket's Tale Timothy J. Gilfoyle,2011-02-07 A true story more incredible than fiction Kevin Baker author of Striver's Row In George Appo's world child pickpockets swarmed the crowded streets addicts drifted in furtive opium dens and expert swindlers worked the lucrative green goods game On a good night Appo made as much as a skilled laborer made in a year Bad nights left him with more than a dozen scars and over a decade in prisons from the Tombs and Sing Sing to the Matteawan State Hospital for the Criminally Insane where he reunited with another inmate his father The child of Irish and Chinese immigrants Appo grew up

in the notorious Five Points and Chinatown neighborhoods He rose as an exemplar of the good fellow a criminal who relied on wife who followed a code of loyalty even in his world of deception Here is the underworld of the New York that gave us Edith Wharton Boss Tweed Central Park and the Brooklyn Bridge **The Weekly record of fashion, and tailor and cutter's guide, ed. by T.D.
