Man In The Gray Flannel Suit:

The Man in the Gray Flannel Suit Sloan Wilson, 2002-10-23 At once a searing indictment of corporate culture a story of a young man confronting his past and future with honesty and a testament to the enduring power of family The Man in the Gray Flannel Suit is a deeply rewarding novel about the importance of taking responsibility for one's own life **BOOK JACKET**

What Shall We Wear to this Party? Sloan Wilson, 1976 **THE MAN IN THE GRAY FLANNEL SUIT** Nunnally Johnson, 1955 The Man in the Gray Flannel Suit, 2013 Description TV Still Movie *The Man in the Grey Flannel Suit* Sloan Wilson, 1958 **The Man in the Gray Flannel Suit II** Sloan Wilson, 1984 The Man in the Gray Flannel Suit is a novel about the American search for purpose in a world dominated by business Tom and Betsy Rath share a struggle to find contentment in their hectic and material culture while several other characters fight essentially the same battle but struggle in it for different reasons In the end it is a story of taking responsibility for one's own life The book was largely autobiographical drawing on Wilson's experiences as assistant director of the US National Citizen Commission for Public Schools **The Man in the Gray Flannel Suit II** Sloan Wilson, 1985 **Fashions of a Decade** Patricia Baker, 2006 Clothing has been a consistent recorder of history through the years documenting the heights of fashion as it threaded its way through post war society This work traces this intricate history from nylon stockings and stiletto heels to full skirts and slim fitting bodices to Baby Doll nightwear and textured leisure suits **The Man in the Grey Flannel Suit, Etc** Sloan Wilson, 1958 *Masked Men* Steve Cohan, 1997-12-22 The fifties marks the moment when a heterosexual homosexual dualism came to dominate U S culture's thinking about masculinity The films of this era record how gender and sexuality did not easily come together in a normative manhood common to American men Instead these films demonstrate the widely held perception of a crises of masculinity Masked Men documents how movies of the fifties represented masculinity as a multiple masquerade Hollywood's star system positioned the male actor as a professional performer and as a body intended to solicit the erotic interest of male and female viewers alike Drawing on publicity poster art fan magazines and the popular press as a means of following the links between fifties stars their films and the social tensions of the period Cohan juxtaposes Hollywood's narratives of masculinity against the personae of leading men like Cary Grant Humphrey Bogart John Wayne Charlton Heston Yul Brynner William Holden Montgomery Clift Marlon Brando and Rock Hudson Masked Men focuses on the gender and sexual masquerades that organized their performances of masculinity on and off screen A Novel Marketplace Evan Brier, 2010-01-18 As television transformed American culture in the 1950s critics feared the influence of this newly pervasive mass medium on the nation's literature While many studies have addressed the rhetorical response of artists and intellectuals to mid twentieth century mass culture the relationship between the emergence of this culture and the production of novels has gone largely unexamined In A Novel Marketplace Evan Brier illuminates the complex ties between postwar mass culture and the making marketing and reception of American fiction Between 1948 when television began its

ascendancy and 1959 when Random House became a publicly owned corporation the way American novels were produced and distributed changed considerably Analyzing a range of mid century novels including Paul Bowles s *The Sheltering Sky* Ray Bradbury s *Fahrenheit 451* Sloan Wilson s *The Man in the Gray Flannel Suit* and Grace Metalious s *Peyton Place* Brier reveals the specific strategies used to carve out cultural and economic space for the American novel just as it seemed most under threat During this anxious historical moment the book business underwent an improbable expansion by capitalizing on an economic boom and a rising population of educated consumers and by forming institutional alliances with educators and cold warriors to promote reading as both a cultural and political good *A Novel Marketplace* tells how the book trade and the novelists themselves successfully positioned their works as embattled holdouts against an oppressive mass culture even as publishers formed partnerships with mass culture institutions that foreshadowed the multimedia mergers to come in the 1960s As a foil for and a partner to literary institutions mass media corporations assisted in fostering the novel s development as both culture and commodity *New York Magazine* ,1973-09-17 *New York magazine* was born in 1968 after a run as an insert of the *New York Herald Tribune* and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine s consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea *Movies in American History* Philip C. DiMare,2011-06-17 This provocative three volume encyclopedia is a valuable resource for readers seeking an understanding of how movies have both reflected and helped engender America s political economic and social history *Movies in American History An Encyclopedia* is a reference text focused on the relationship between American society and movies and filmmaking in the United States from the late 19th century through the present Beyond discussing many important American films ranging from *Birth of a Nation* to *Star Wars* to the *Harry Potter* film series the essays included in the volumes explore sensitive issues in cinema related to race class and gender authored by international scholars who provide unique perspectives on American cinema and history Written by a diverse group of distinguished scholars with backgrounds in history film studies culture studies science religion and politics this reference guide will appeal to readers new to cinema studies as well as film experts Each encyclopedic entry provides data about the film an explanation of the film s cultural significance and influence information about significant individuals involved with that work and resources for further study **When Cowboys Come Home** Aaron George,2023-11-10 *When Cowboys Come Home* Veterans Authenticity and Manhood in Post World War II America is a cultural and intellectual history of the 1950s that argues that World War II led to a breakdown of traditional markers of manhood and opened space for veterans to reimagine what masculinity could mean One particularly important strand of thought which influenced later anxieties over other direction and conformity argued that masculinity was not defined by traits like bravery stoicism and competitiveness but instead by authenticity shared camaraderie and emotional honesty To

elucidate this challenge to traditional frontiersman masculinity Aaron George presents three intellectual biographies of important veterans who became writers after the war James Jones the writer of the monumentally important war novel *From Here to Eternity* Stewart Stern one of the most important screenwriters of the fifties and sixties including *Rebel without a Cause* and Edward Field a bohemian poet who used poetry to explore his love for other men Through their lives George shows how wartime disabused men of the notion that war was inherently a brave or heroic enterprise and how the alienation they felt upon their return led them to value the authentic connections they made with other men during the war

Cultures of Commerce E. Brown, C. Gudis, M. Moskowitz, 2016-10-19 While historians have explored the impact on workers of changes in American business the broader impact on other cultural forms and vice versa has not been widely studied This anthology contributes to the debate at the intersection of business history and the study of cultural forms ranging from material to visual culture to literature **The New Yorker** Harold Wallace Ross, William Shawn, Tina Brown, David Remnick, Katharine Sergeant Angell White, Rea Irvin, Roger Angell, 1929 **Showmen's Motion Picture Trade Review**, 1956 **Cue**, 1966 *Saturday Review*, 1955 America Firsthand, 1997
