Bamidele, 2023-10-09 **Intra-Africa Student Mobility in Higher Education** Chika Trevor Sehoole, Jenny J.

Lee, 2022-01-01 This book examines student mobility within Africa International student mobility is among the central activities of higher education internationalization As the number of international students increase so do the destinations in both number and geographic diversity Historically international student mobility has followed South North and North North patterns However recent literature show the growth in North South and South South patterns of student mobility There has also been a rise in regional mobility In what is referred to in the book as intra Africa mobility the book explores and analyzes the patterns of intra Africa mobility based on seven African countries South Africa Kenya Uganda Nigeria Ghana Senegal and Egypt The editors and contributors address three central research questions Why did the students choose the country they are studying in Why did they choose the institution they are studying in What are their academic and social experiences in these countries and their respective institutions This book is the first comprehensive exploration of intra Africa student mobility in a field that traditionally centers on the Global North *The Uganda Gazette* Uganda, 2018 **Postgraduate**

Research Engagement in Low Resource Settings Atibuni, Dennis Zami, 2019-09-27 The general academic progression and particularly research engagement of postgraduate students is characterized by various problems such as high dropout rates longer completion times low graduation rates and high repetition or retake rates This means that there are far fewer students pursuing postgraduate studies at tertiary institutions and universities than there are at the lower levels of education Yet there is growing demand for postgraduate education given its strong projected association with socioeconomic transformation at national and international levels among developed and developing countries alike Postgraduate Research Engagement in Low Resource Settings sets out to garner strategies for fostering efficiency of research conduct among the students and faculty so as to enhance high quality output for the envisaged personal societal national and international socioeconomic transformation Covering a range of topics such as intellectual property mental health and quality assurance this book is ideal for research supervisors higher education faculty librarians educators administrators researchers academicians and students **Achieving sustainable cultivation of soybeans Volume 1** Prof. Henry T.

Nguyen, 2018-05-31 Reviews latest research on crop physiology and genetic diversity Detailed coverage of key advances in breeding and their application to produce more resilient drought salt and cold tolerant varieties of soybean Summarises good agricultural practices to optimise crop cultivation and make it more sustainable **Protection and Promotion of Human**
