

Step 7

Mascara

Always wear mascara because even if you have dark, luscious eyes, thickening mascara gives natural lashes a lifted look and a curl. If you have a sparse full set, the mascara will add and will avoid looking like you're wearing too much mascara. There's nothing too good about if you wear a little mascara, but it's a great choice if you want a little extra look at it your mascara needs to be added.

When applying mascara, hold the brush over your eye and look down. Then, from the base of the lashes to the tips, hold the wand in place and wiggle the brush back and forth. Repeat the application to both eyes.

If you choose to curl the lashes, it's not before applying mascara. Curling before, after applying mascara, can break the lashes.

The thick mascara makes the most impact. There's nothing like a little look.

Step 8

Blush

Always add a natural shade of blush to the apples of cheeks. Blend up toward the hairline, down toward the under-lip area.

For long-lasting results, have a mix of long-lasting and short-lasting.

For an extra glow, first, a shimmer powder on the cheekbones with a few blusher brush, or use a blusher brush applied with your fingers.

For a glow off your powder blush, use your brush to buff the blush into your skin. If it seems to light up, use the light blusher brush to remove some color and make sure.

The sugar or cream blush is a good option for the skin.

To add a warm tone to skin, use a blusher on areas where the sun normally hits the face—cheeks, forehead, nose, and chin.

Step 9

Lipstick

Start with clean, smooth lips.

Several lipstick shades and about lipstick can be applied directly from the tube. Use a lip brush to apply lipstick in light strokes, which require gentle application.

For a natural look, use a shade that is a little darker than your natural shade. The more the color, the more natural the lipstick.

For a dramatic look, choose light to medium shades of lipstick or dark shades of lipstick.

Step 10

Lip Liner

To achieve natural-looking definition and to keep your lips looking like yours, use a lip liner after applying lipstick. There's nothing like a natural and beautiful lipstick.

To achieve a natural look, use a shade that is a little darker than your natural shade. The more the color, the more natural the lipstick.
