Making Sense Of Management A Critical Introduction:

Making Sense of Management Mats Alvesson, Hugh Willmott, 2012-05-14 The landmark contribution to critical management studies has been fully revised and updated to reflect developments in the field of management

Making Sense of Management Mats Alvesson, Hugh Willmott, 1996 Questions the technical problem solving orientation of management theories and practices Introduces the concept of Critical Management Theory CMT

Making Sense of Management Mats Alvesson, 2012 Making Sense of Management provides a fresh perspective on management that explores how the disruptive and constructive potential of critical theory can be realised in organizations

Studying Management Critically Mats Alvesson, Hugh Willmott, 2003-10-08 Drawing upon a range of influential contemporary movements in the social sciences primarily upon critical traditions this text provides a wide ranging analysis of management and its various specialisms

Understanding Management Critically Suzette Dyer, Maria Humphries, Dale Fitzgibbons, Fiona Hurd, 2014-02-17 In these times of global economic crisis social unrest towards the powers that be and a yearning for alternative systems and organization it is now more relevant than ever for you to take a critical stance to your management studies in order to analyse understand and question the world around you and the capitalist stronghold in which you live and work This new thought provoking text uses critical theory and revolutionary ideas to help you challenge the status quo and prevailing ideologies in management It covers key issues thinkers and topics in an accessible style to provide a broad and clear understanding of vital theory which is applied to the real world through international case studies and reflective questions and think points for you to carry into practice A companion website provides additional learning materials for personal study and class activities This text is essential reading for any undergraduate or postgraduate student studying critical management or any management course with a critical slant

Rethinking the Case Study in International Business and Management Research Rebecca Marschan-Piekkari, Catherine Welch, 2011-01-01 This important and original book places the case study in international business research in its historical context critically evaluates current case study practices in the field and proposes a more pluralistic future for case research within international business and international management research While the case study is the most popular qualitative research strategy in the field only a narrow selection of possible approaches is currently used IB and IM researchers typically rely on a case study approach that could be characterized as qualitative positivism The editors and contributors look beyond this disciplinary convention and encourage greater pluralism in IB and IM case research Their key argument is that increased awareness of prevailing disciplinary conventions and their limitations increases the potential for methodological innovation and versatility in case research The contributions provide critical novel and innovative perspectives on the case study in IB and IM research The book offers inspiration to case authors and an authoritative methodological reference for those publishing and reviewing case research It will also be highly regarded by postgraduate and doctoral students in IB and IM as well as both qualitative and quantitative

researchers in the field Managing VUCA Through Integrative Self-Management Sharda S. Nandram,Puneet K. Bindlish,2017-05-06 In this book experts discuss whether volatility uncertainty complexity and ambiguity VUCA represent a challenge or a business opportunity More intense debates on global climate change increased turbulence in financial quarters increased job insecurity and high levels of stress at the workplace are attracting attention in the context of organization behavior and entrepreneurship Fear and confusion have become part and parcel of business often undermining trust cooperation and inspiration As a response a new way of organizing self management has emerged The book combines practical wisdom from East and West to develop integrative self management theory and practice provides direction to support an integrative mind set integrative organization and integrative leadership and presents VUCA as an opportunity and necessity for development and growth rather than a threat The Best Books for Academic Libraries: Social sciences ,2002 Books recommended for undergraduate and college libraries listed by Library of Congress Classification Numbers The Art of Organisational Problem-solving John Paul Kawalek,2006 This book explores the relationship between theory and practice in management It enters into the debate over whether management should be taught as a set of theories to be learned management theory or whether it is learned in a hands on manner when a person is placed in a position to practice the skills of management management practice The author contends that it needs both theory and practice and this book provides a methodological discourse about certain principles of organisational problem solving The Academy of Management Review Academy of Management,1997 The African Journal of Finance and Management ,2004

Deframing Organization Concepts Bert van Hees,Paul Verweel,2006 The quality of organisation concepts meaning context and development Bert van Hees and Paul Verweel The nurseries of the learning organisation Ren ten Bos Self managing teams Practice and rhetoric of organisational performance and bonding Peter Leisink Organisational culture a concept s strengths and weaknesses Jan Boessenkool The customer friendly organisation Carl Rohde and Hans van der Loo The new manager Idealised image and reality Willem Koot The new employee Ton Korver The worlds that the concepts of organisation refer to Uses qualities origins Bert van Hees and Paul Verweel Modernity and the drive for freedom Bert van Hees and Paul Verweel *Organizational Behaviour* John Martin,2001 This is a comprehensive main course text for organisational behaviour and related studies designed to provide a strong critical understanding of both theory and managerial implications *The Passion of Organizing* Joanna Brewis,2006 Considers the dark side of motivation including the roles of addiction obsession sex and death This book revisits the suppressed roots of motivation in offering an alternative understanding of desire It brings arguments to bear on topics as diverse as pizzas football management and blowjobs

Principles of Organizational Behaviour Robin Fincham,Peter S. Rhodes,1999 Principles of Organizational Behaviour has a wide application to the undergraduate market postgraduate courses such as the MBA and professional degrees It is ritten jointly from psychological and sociological perspectives and covers the range of disciplines across

occupational psychology group dynamics and work and organizations It has been established over the past ten years filling a market gap for a critical and genuinely multi disciplinary text In contrast to many traditional textbooks it covers problematic areas of conflict and debate and through a clear writing style complex ideas are communicated in an interesting and accessible way Without simply overturning established ideas alternatives are outlined making the book both useful and comprehensive academic and practical This new edition progresses through clearly structured levels of analysis individual group organization and society It is substantially revised updated and newly formatted and includes additional material on job analysis and competencies individual differences and their assessment subjectivity and the labour process employee involvement managerial work organizational design change management and the gendering of work It also contains new features in the shape of case examples study questions and learning objectives

International Labour Documentation International Labour Office. Central Library and Documentation Bureau, 1997
Scandinavian Perspectives on Management Consulting Steinar Bjartveit, Göran Roos, 2005 Rethinking Administrative Theory Jong S. Jun, 2002

Striving to redirect the study of public administration toward innovation and imagination deliberative democracy knowledge transfer policy making and ethics and values topics which for too long have been overshadowed by traditional problems of efficiency productivity and instrumental rational solutions this book of diverse essays is certain to invigorate both scholarship and practice Eighteen leading international scholars evaluate public administration's historical development and explore the significance and value trends in public administration from a variety of cutting edge theoretical and practical perspectives Aimed at students and practitioners alike this collection of essays is certain to stimulate critical thinking and discussion of public administration's aims mechanisms and overall effectiveness as well as the role it plays in democratizing countries

Encyclopedia of Development Methods Andrzej Huczynski, 2001 The core of this thoroughly revised book is a directory of more than 700 methods Each entry typically comprises an explanation a bibliography and cross references Other features include a review of different approaches to classifying the methods and two valuable appendices the first is to help practitioners analyse their methods the second providing details of relevant books journals and other information sources

The Feminine in Management Consulting Sheila Marsh, 2009-01-15 Through live material from consulting practice and an historical review of advice giving to pre modern leaders this book uncovers a distinctive feminine discourse of management consulting in the public and not for profit sectors This view challenges current literature on management consulting that relies on established masculine images power emotion and values dominate the interactions in this book
