Making The Connection Discovering Who God Really Is:

Making the Connection John W. Telman, 2014-04 Making the Connection Discovering Who God Really Is attempts to put the corrective lenses of scripture on the distorted view of God John Telman writes like the pastor he is with clarity foresight insight and a longing to see people make the life changing decision to follow God Deftly weaving real life examples and scripture together John creates a tapestry that depicts the whole of who God is Robert White A student once told his professor I don t believe in God to which he was asked to describe the God that he didn t believe in I probably don t believe in him either stated the wise teacher It is a sad fact that most people who do not believe in God have either an incomplete or false understanding of who the Almighty God is This book while valuable for such people is not intended to be an apologetic nor a defence Simply between the covers of this book is one man s observation s of God who has made himself known It s more than eternal life that is at stake It s fellowship with God Life without the creator is empty plastic and worthless It has no meaning Fellowship with God is more than knowing facts about God It is life based on who God is When anyone has relationship with God they truly live John W Telman was born in Edmonton Alberta Canada but as a worship pastor for 20 plus years he has also served in the United States and Singapore He has an earned Master s degree in Christian Studies from Providence Seminary His ministry has changed from primarily worship to that of a Senior Pastor He has been married to Carole since 1982 and they have one son Jeremy

Another Laugh and Another Tear John W. Telman, 2020-06-15 I really don t know John I really only know of John by virtue of pastoring in the same province and denomination together I mention this to say that by reading his book I finally had the chance to get to know him In doing so I felt that I d met a kindred spirit Sharing a common Dutch heritage being former worship ministers and growing up in a loving musical home established an easy common ground between us In picking up a copy of his book I anticipated sitting down to read an autobiographical account of this life I was wrong Instead I sat down to discover stories of friends and family who had shaped his life It s a tribute really What a wonderful way to get to know a person Instead of making himself the focus of his own writing he instead shines a spotlight in the direction of the relationships that were most meaningful to him Phil Spoelstra Assistant Superintendent British Columbia and Yukon District of the Pentecostal Assemblies of Canada

Telling God's Stories with Power Paul F. Koehler, 2010-06-01 Biblical Storytelling in Oral Cultures This is a complete and practical introduction to storying especially for people who want to learn about using biblical storytelling in cross cultural contexts and who want to train others to become storytellers It includes many fascinating accounts of the responses of tribal people to the first proclamation of the gospel through storytelling The result of years of research and field testing Telling God s Stories with Power is a product of the author s own journey as he confronted the challenges of teaching the Bible in parts of the world where people are unaccustomed to a Western style of learning Full of innovative and groundbreaking insights this study is packed with ideas explanations and constructive suggestions stated in clear and simple language Throughout the book there

are extensive examples from the storytellers own experiences Tracing the movement of the biblical stories across multiple generations of tellers and listeners storytelling is found to be superior for knowledge transfer and for bypassing resistance to the gospel in oral contexts thus presenting clear evidence of the effectiveness of biblical narrative among oral learners

Where Are You? John Paterson,2019-03-20 In our postmodern world where the individual self is the centre of the universe and God seems at best to be weak and irrelevant have you ever wondered where you are Often when I ponder what s going on in the world around me and in the relationships between me and others and then go deeper inside of myself than what is going on at the surface of my life I get a sense of something significant deep within me but it s not me so I wonder what it is Do you have that sense By the way if I am the centre of the universe where does that leave you off centre As a hydrographic surveyor in the Australian navy for nearly thirty years I often found myself in uncharted waters searching for the unknown so as to make it known What really gave me a sense of confidence was being able to know exactly where I was at all times founded on three known measuring marks each accurately fixed according to an established datum Since I am now searching in a different way yet often still in uncharted waters and at a really deep level like C S Lewis and others before me I want to find the something that I just know is there because I know that when I do I will know more about who I am and where I am in this life But I will need known marks and an established datum because without them I am unreferenced You see there s more to me than you can see and I know that is true about you too If you want to go on a search for something come surveying with me Maybe this book will help you understand where you are **Discover God's Upside-down**
