

The background of the cover is a close-up photograph of several interlocking metal gears. The gears are made of a polished, reflective metal, likely chrome or stainless steel, and are arranged in a way that creates a sense of depth and mechanical complexity. The lighting highlights the teeth of the gears and the circular surfaces of the hubs.

Managerial Economics 12th Edition:

Managerial Economics: Applications, Strategy and Tactics James R. McGuigan, R. Charles Moyer, Frederick H. deB. Harris, 2010-08-03 Packed with managerially oriented applications MANAGERIAL ECONOMICS 12th edition illustrates how managers apply theories and techniques to solve real world problems while teaching future business leaders how to think analytically and make better decisions Extremely user friendly the text caters to a variety of learning styles as it presents key analytical concepts in several ways including tabular analysis graphical analysis and algebraic analysis Students learn in a format with which they are comfortable making difficult material more accessible and easier to understand The new 12th edition is concise current and cutting edge with an exciting and extremely relevant new focus on green businesses and business developments in the examples and applications The seasoned author team balances traditional neoclassical micro theory with extensive coverage of the latest analytical tools in managerial economics such as game theoretic tactics information economics and organizational architecture Important Notice Media content referenced within the product description or the product text may not be available in the ebook version

Managerial Economics S. Charles Maurice, Christopher R. Thomas, 2015-09-22 The goal of Thomas and Maurice's Managerial Economics is to teach students the economic way of thinking about business decision and strategy This edition continues to develop critical thinking skills and provides students with a logical way of analysing both the routine decisions of managing the daily operations of a business as well as the longer run strategic plans that seek to manipulate the actions and reactions of rival firms Managerial Economics is a self contained textbook that requires no previous training in economics While maintaining a rigorous style this book is designed to be one of the most accessible books in managerial economics from which to teach and learn because of its clarity of presentation and strong end of chapter problems Rather than parading students quickly through every interesting or new topic in microeconomics and industrial organization this 12th edition instead carefully develops and applies the most useful concepts for business decision making and strategic planning
