shape linguistic landscape and the impact of the linguistic landscape on the wider social and cultural reality Not only does
the book offer a wealth of case studies and comparisons to complement existing publications on linguistic landscape but the
editors aim to investigate the nature of a field of study which is characterised by its interest in ordered disorder The editors
aspire to delve into linguistic landscape beyond its appearance as a jungle of jumbled and irregular items by focusing on the
variations in linguistic landscape configurations and recognising that it is but one more field of the shaping of social reality
