Williams,2022-06-28 Enacting social justice is essential to the Christian faith But the Bible s call to seek justice is not a call to superficial activism True justice requires biblical wisdom and communal discernment Maybe you re frustrated with a version of Christianity that doesn t seem to take justice seriously

Perhaps you've witnessed the rise of ideologies that brand themselves as social justice but you have a sense that something is off about them. Maybe you have a hunch that God offers a better way to do justice than what's offered by the snarky memes on our news feeds. In this 14-session video-based study guide, teacher and lecturer Thaddeus Williams furthers the case he made in his book, taking study groups and individuals deeper into complex questions of how to pursue a path of justice without compromising the truth of the gospel. Participants will watch video segments, DVD streaming video sold separately, hear from a diverse range of experts, interact in group discussions, and answer personal reflection questions to discover what the Bible and the example of Jesus have to teach us about justice. Williams confronts religious and political tribalism and challenges participants to discover a compelling vision of justice for all. God's image bearers that offers hopeful answers to life's biggest questions and a way forward.

**Sessions Include:** What is Social Justice? The God Question, The Imago Question, The Idolatry Question, The Collective Question, The Splintering Question, The Fruit Question, The Disparity Question, The Color Question, The Gospel Question, The Tunnel Vision Question, The Suffering Question, The Standpoint Question, Conclusion.
