**Public Policy in International Economic Law** Diane Desierto, 2015-02-19 States reject inequality when they choose to ratify the International Covenant on Economic Social and Cultural Rights ICESCR but to date the ICESCR has not yet figured prominently in the policy calculus behind States' international economic decisions This book responds to the modern challenge of operationalizing the ICESCR particularly in the context of States' decisions within international trade finance and investment Differentiating between public policy mechanisms and institutional functional mandates in the international trade finance and investment systems this book shows legal and policy gateways for States to feasibly translate their fundamental duties to respect protect and fulfil economic social and cultural rights into their trade finance and investment commitments agreements and contracts It approaches the problem of harmonizing social protection objectives under the ICESCR with a State's international economic treaty obligations from the designing and interpreting international treaty texts up to the institutional monitoring and

empirical analysis of ICESCR compliance In examining public policy options the book takes into account around five decades of States implementation of social protection commitments under the ICESCR its normative evolution through the UN Committee on Economic Social and Cultural Rights and the Committee s expanded fact finding and adjudicative competences under the Optional Protocol to the ICESCR as well as the critical dialectical and deliberative roles of diverse functional interpretive communities within international trade finance and investment law Ultimately the book shoes how States

ICESCR commitments operate as the normative foundation of their trade finance and investment decisions The Political Economy and Media Coverage of the European Economic Crisis Julien Mercille, 2014-08-27 The European economic crisis has been ongoing since 2008 and while austerity has spread over the continent it has failed to revive economies The media have played an important ideological role in presenting the policies of economic and political elites in a favourable light even if the latter s aim has been to shift the burden of adjustment onto citizens This book explains how and why using a critical political economic perspective and focusing on the case of Ireland Throughout Ireland is compared with contemporary and historical examples to contextualise the arguments made The book covers the housing bubble that led to the crash the rescue of financial institutions by the state the role of the European institutions and the International Monetary Fund austerity and the possibility of leaving the eurozone for Europe s peripheral countries Through a systematic analysis of Ireland s main newspapers it is argued that the media reflect elite views and interests and downplay alternative policies that could lead to more progressive responses to the crisis **Them and Us** Philippe Legrain, 2020-10-15 Winner of the Diversity Inclusion and Equality Award at the Business Book Awards 2021 Underpinned by scholarship entertaining Legrain s book fizzles with practical ideas The Economist The beauty of diversity is that innovation often comes about by serendipity As Scott Page observed one day in 1904 at the World Fair in St Louis the ice cream vendor ran out of cups Ernest Hami a Syrian waffle vendor in the booth next door rolled up some waffles to make cones and the rest is history Filled with data anecdotes and optimism Them and Us is an endorsement of cultural differences at a time of acute national introspection By every measure from productivity to new perspectives immigrants bring something beneficial to society If patriotism means wanting the best for your country we should be welcoming immigrants with open arms *BCIM Economic Cooperation* Gurudas Das, C. Joshua Thomas, 2018-09-03 This book examines the strategic and economic logic behind the Bangladesh China India Myanmar BCIM Regional Cooperation According to estimates BCIM covers approximately 9 percent of the world s mass and 40 percent of the world s population spanning across four countries constituting the confluence of East Southeast and South Asia It contributes about 13 percent to world trade but ironically only 5 percent to inter regional trade This volume compares the various approaches to cooperation trade led vs project led geo political vs geo strategic Sino centric vs India led The chapters explore the complex interplay of geo economics and geo politics associated with BCIM sub regional cooperation in general and the BCIM Economic Corridor BCIM EC in particular It points to the current challenges that impede globalisation

and economic growth and critically reviews implications for the stakeholders institutional frameworks and the spatial impact of the Corridor especially on the underdeveloped regions The book discusses the geo political geo economic and geo strategic advantages that will accrue to the member countries once the sub regional cooperation becomes fully functional It advocates the adoption of best practices from similar sub regional groupings across the globe This book will be of great interest to scholars and researchers of politics and international relations geo politics strategic studies sub regional cooperation South Asian studies India China relations foreign trade and economics besides those dealing with foreign policy and development cooperation It will especially benefit policymakers development agencies and strategic think tanks Parliamentary Papers
