Maumlr Omega Tome:

The Male Omega's Awakening Dee Gleem, 2022-07-21 For the last two years Kane has been dreaming of the day when his mate finally turns 18 and they can finally claim each other However his world suddenly comes crashing down and his dream is instantly destroyed when the alpha announces that his son Kane's mate has found his mate who is the daughter of a neighboring pack's alpha However he can't bring himself to say anything He has kept this a secret for two years and he was waiting for another few months until his mate's birthday but that day is never coming now He can't stand seeing his mate with another and he can no longer handle being in his pack He can't let his father know either since he is the pack's Beta What can he do The only thing that he can think of He will keep his secret and run as far away as possible He will no longer be Kane but he will become a new person with a new name Blake That sounds nice It also reminds him of black which is what his past is now
