The former President, scientist and visionary A. P. J. Abdul Kalam said about corruption, "If a country is to be corruption-free, become a nation of beautiful minds, I strongly feel there are three key societal members who can make a difference. They are the father, the mother and the teacher." Corruption is a global disease that mainly attacks developing countries. Corruption is the misuse of public goods by public officials for private proposals. Corruption is a form of dishonesty or criminal activity or unethical
