The American Digest Annotated, Key-number Series ,1914 *Sam Capra Series Box Set Books 1-3* Jeff Abbott,2022-03-15 Read the first three editions of Jeff Abbott's exhilarating Harlan Coben Sam Capra thriller series

ADRENALINE Sam Capra is a brilliant young CIA agent who is expecting his first child with his wife Lucy. They have everything they could hope for until they lose it all in one horrifying moment. Sam receives a call from Lucy while he's at work and soon everything in his life changes. He is the sole survivor of a bombing and branded by the CIA as a murderer and traitor. Sam launches into a desperate hunt to save his kidnapped wife and child and to reveal the unknown enemy who has set him up and stolen his family. But the destruction of Sam's life was only step one in an extraordinary plot and now Sam must become a new kind of hero.

THE LAST MINUTE An ex CIA agent Sam Capra owns bars around the world as cover for his real mission working undercover for a secret network as mysterious as it is powerful while using his skills to find his child. Now the kidnappers have offered a deadly deal: they'll surrender Sam's child if Sam finds and murders the one man who can expose them. Teaming up with a desperate young mother whose daughter is also missing, Sam tracks his prey and his son across the country in a dangerous race against time and must unravel a deadly conspiracy if he's to rescue the only person in the world that matters to him.

DOWNFALL Sam Capra is an ex CIA agent and only desires to build a quiet peaceful home for himself and his infant son. But Diana Keene walks into his San Francisco bar and his simple life starts to unravel. Diana is pursued by two gunmen and when she finds Sam she whispers an urgent desperate plea: Help me. Without any warning Sam is thrust into a fight for his life. For Diana is being hunted by a deadly network, a shadowy alliance of select influential men and women who use their connections, their authority and their wealth to bend the world to their will. Now this network aims its relentless fury against the man interfering with their plans to seize a new level of power. Sam Capra Sam has only one hope to survive the network's all-consuming attack and return to his life with his son: he must destroy the man who owns the people who run the world.

NOTE: each novel in the boxed set is about 74 000 words for a total of approximately 850 printed pages. This three book romantic comedy series is all about starting from nowhere, no dating skills, no passion for a corporate job, low self-esteem and undergoing a big transformation. The years go on, the landscapes change and all along our heroine genuinely grows as she moves past failures, achieves personal goals, becomes a better friend and even gets the chance to fall in love. More specifically there's Internet romance or obsession. Fine line there's a meeting with the right guy at the wrong time, there's long distance romance, turmoil and there's a life-changing journey to a totally different place. The stories are told in a bold narrative with punchy dialogue to give this series a little more edge than your typical chicklit books. Throughout the series there's also an underlying tension caused by culture clash when a strict Indian background brings up totally unpleasant scenarios: pressure to get married, pressure to get an ARRANGED marriage, you get
