It Stephen King Book:

It Stephen King, 2019-07-30 Stephen King's classic #1 New York Times bestseller and the basis for the massively successful films *It Chapter One* and *It Chapter Two* as well as inspiration for HBO Max's upcoming *Welcome to Derry* about seven adults who return to their hometown to confront a nightmare they had first stumbled upon as teenagers: an evil without a name. *It* Welcome to Derry, Maine. It's a small city, a place as hauntingly familiar as your own hometown. Only in Derry the haunting is real. They were seven teenagers when they first stumbled upon the horror. Now they are grown-up men and women who have gone out into the big world to gain success and happiness. But the promise they made twenty-eight years ago calls them to reunite in the same place where, as teenagers, they battled an evil creature that preyed on the city's children. Now children are being murdered again, and their repressed memories of that terrifying summer return as they prepare to once again battle the monster lurking in Derry's sewers. Readers of Stephen King know that Derry, Maine, is a place with a deep, dark hold on the author. *It* reappears in many of his books, including *Bag of Bones*, *Hearts in Atlantis*, and *11/22/63*. But it all starts with *It*, Stephen King's most mature work. *St. Petersburg Times*: "It will overwhelm you to be read in a well-lit room only." *Los Angeles Times*.
