a lot of sense to you We will talk about those life cycle phases We ll talk about capabilities and resources organizations should have to help drive services and drive them through their life cycles We ll talk a little bit about quality quality of processes and quality of services and so on So those are the topics that we re going to cover in this Book **ITIL Foundation Essentials** Claire Agutter,2012-09-06 ITIL Foundation Essentials is a distillation of the critical information you need to understand the key facts for a successful exam
