It's not that Connor doesn't want to make change at the yard sale; it's that he can't. Even for the guitar of his dreams. This book makes a great gift for all children: those who are confident and courageous or those who are struggling with anxiety, self-doubt, or a fixed mindset. Your child will love rooting for characters they care about as they work hard to make the right choice.

Mindset Matters Bryan Smith, 2017-09-06. An entertaining and eye-opening look at the power of the "gotta get it done" mindset. Amelia is her name, and conquering new challenges is her game. She's an up-for-any-adventure second grader who's eager to try new things provided nothing can go wrong. She takes up skateboarding with gusto and feverishly builds a swing set for her kid brother. But at the first sign of trouble, tumbling off her skateboard and whacking her thumb with a hammer, she's done. Her confidence shattered, Amelia frets she's a failure. But after a little self-reflection and some loving advice from dear old Dad, Amelia learns she needs a "gotta get it done" mindset. With her new outlook, she discovers success has many definitions more than she ever imagined. Mindset Matters helps kids learn and grow and reveals why failing doesn't make them failures. Written for readers in grades K-5, this storybook also includes tips to help parents and teachers foster a healthy "gotta get it done" mindset in every child.
