Oliver Corwin Sabin

Mind Healer Giving A Treat To Your Mind:

Healing Your Mind and Soul: Therapeutic Interventions in Quantum Reality Garry Flint, 2012-08 In his groundbreaking book *Healing Your Mind and Soul* Flint approaches healing from the point of view of quantum reality. He creates a model of quantum reality which explains ancestral influences, distant treatment, and the cause of our experience of reality. The model shows that we are all connected and created in a logical and orderly relationship with one another to give us more happiness and less pain, which suggests a loving creation process. At the spiritual level, Flint uses the model to define the soul and to discuss prayer and afterlife. He defines Wisdom as a rich resource in the hidden reality. It can be used to cause deep healing of many issues. Examples of the communication between the therapist and patient teach the reader a way to treat intruding souls, ancestral fields, and to use Wisdom to treat common issues. Other experimental interventions are given. *Healing Your Mind and Soul* is an invaluable self-help guide that breaks important new therapeutic ground for both the health professional and the layperson. Dr. Garry A. Flint is a psychologist with over 40 years of clinical experience. He has treated issues in the quantum fields for the last 15 years. He is the author of three previous books: *Emotional Freedom*, *A Theory and Treatment of Your Personality*, and *A Healing Legend*, co-authored with Jo C. Willems, a brave and provocative book.
