Joyful Journeys Sacred Pauses With God:

Joyful Journeys Susan Lynn Major, 2014 For many of us this is the metaphor for our experiences Life can be complicated There are times when we know that our reality is challenging Yet even in the midst of those muddy waters we can still rise up and bloom where we are This is what a joyful journey is about It s not a perfect path but it s real This is the path that was designed for you It is along this journey that you find the people places and experiences that will help you bloom in all the glory that God intended A sacred pause is an invitation to experience your life path designed by God When you accept the invitation of a sacred pause you honor who you are right now Like the flower there might be mud lurking below but you are still rising up to show your joy
