## **Muhammad A Messenger Of God In Bible Prophecy:**

**Muhammad** Benjamin Breece, 2014-11-21 I was born and raised in the Seventh day Adventist Church but I tried to maintain an open mind and learn about other religious philosophies I did not give Islam much thought when I was young Then I took a job where I worked with a number of Muslims and I wanted to understand more about them so I studied a little bit into the life of Muhammad and the Quran I very quickly realized that Muhammad seemed to be a man who sincerely wanted to lead the Arabs back to God I studied more especially materials by the relatively few Christians who interpreted the Biblical passages connected with the Arabs and Islam in a more positive light One of the biggest hurdles I faced was the fact that the Quran was so anti Trinitarian Eventually I learned that the founders of the Adventist Church were Anti Trinitarian It was only later that the church became Trinitarian The church plainly stated this in the article Adventists and Change published in the October 1993 issue of Ministry Magazine This shocked me as I had been raised to believe that God had guided the founders of the Adventist Church They worshiped one being as God who brought Jesus into existence Today the Adventist Church worships a unity of three co eternal persons as stated in the 28 Fundamental Beliefs This won t be significant to most people but it was significant to someone raised in that denomination I decided to simply examine the Bible with an open and honest mind The big question was could you actually get to the Trinity by reading the Bible or did you have to assume the Trinity to be true and read it into the text of the Bible The more I studied the more I came to believe that the Bible if read plainly supports a strict monotheistic view of God not a Trinitarian view After that it became much easier to fully accept Muhammad as a messenger of God This book is the result of my study It records why I believe Muhammad was a messenger of God and that God is One not a Trinity It goes through several of the prophecies in Daniel and Revelation to show how God predicted the succession of major powers in the near east and Mediterranean This includes the rise and corruption of the Medieval Christian church and how God raised up a Messenger in the desert to help correct some of the corruption that had crept into Christianity

**Muhammad** Benjamin Breece, 2020-07-11 This book asks you to set aside your preconceptions and confirmation bias and simply examine what the Scriptures say especially in prophecy If it is too difficult for you to reconsider mainstream understandings of what the Scripture says about things such as the doctrine of the Trinity the corruption of the Church whether or not Muhammad was a prophet etc then this book is not for you If you are willing to look and study then this book can serve as a tool in understanding Bible prophecy It goes through a number of prophecies in Daniel that focus on the rise and corruption of the Church and how they tie into Revelation s prophecies of the Beast The biggest blasphemy of Church is its rejection of the strict monotheism of the Jewish faith of Jesus and the disciples and the adoption of the doctrine of the Trinity An open minded study of Revelation also seems to indicate that God gave Muhammad a message to get the Church to repent of its blasphemies and worship only one person as God This book goes into great detail in the prophecies of Daniel and Revelation and the rest of Scripture in order to let the Scripture do the

interpreting One should always let the Bible provide the meanings of symbols and interpret accordingly I make every effort to only draw interpretations from Scripture instead of reading interpretations into the text In fact I prefer to simply quote the Scripture and let it speak for itself However I don't make any kind of claim that the contents of this book were revealed to me directly from God You should place your faith in the Scriptures and only accept the points that you can clearly see the Scriptures saying

**The Prophet Promised in World Scriptures** Ali Unal, Harun Gultekin, 2013-08-07 This well researched and comprehensive book by Ali nal details the numerous prophecies about the advent of the Prophet Muhammad in various world scriptures Unal argues that numerous prophecies of the coming of the Prophet Muhammad are found in the New and Old Testaments the Zoroastrian Hindu and Buddhist Scriptures He then closely examines these prophecies through a comparative and verse by verse analysis and explains the rationale for his conclusions This book will appeal to readers from all faiths and backgrounds that have an interest in major world religions and their sacred scriptures

Muhammad in Bible Dika Ariadika, 2019-12-13 Muhammad was a great Messenger of God He was a Prophet who was sent to all people on the world He was not only sent to one people but to all humanity Because he was sent in the end of Times he was written in Bible His coming was already mentioned on Bible It is a proof that Muhammad was the promised prophet of the Bible Allah said about Muhammad Those who follow the Messenger the unlettered prophet whom they find written in what they have of the Torah and the Gospel who enjoins upon them what is right and forbids them what is wrong and makes lawful for them the good things and prohibits for them the evil and relieves them of their burden and the shackles which were upon them So they who have believed in him honored him supported him and followed the light which was sent down with him it is those who will be the successful Al A raaf 157 And mention when Jesus the son of Mary said O children of Israel indeed I am the messenger of Allah to you confirming what came before me of the Torah and bringing good tidings of a messenger to come after me whose name is Ahmad But when he came to them with clear evidences they said This is obvious magic Ashoff 6

Prophet Muhammad was written in Bible He was mentioned in Bible because he was sent in the end of Times and as the Last Messenger of God Prophet Muhammad was the last messenger of God

What the Bible Says About Muhammad (PBUH) Ahmed Deedat, 1998 The subject of this book What the BIBLE says about MUHAMMED PBUH will no doubt come as a surprise to many of you because the author is a Muslim How does it come about that a Muslim happens to be expounding prophecies from the Jewish and Christian Scriptures As a young man about 30 years ago I attended a series of religious lectures by a Christian theologian a certain Rev Hiten at the Theatre Royal Durban in South Africa

**101 Good Reasons to Believe** James D. Sideras, 2018-01-04 This book presents a strong case for the Christian faith by using scientific evidence and philosophical reasoning Although an abundance of Christian apologetic textbooks exist most are not easily accessible because they offer long and scholarly treatments of subject matter that may not appeal to lay readers This book differs in two

ways First it presents the case for Christianity in a friendly scholarly prose which enables readers to plainly understand each reason to believe Second these reasons are concisely structured so that within minutes readers can quickly examine each argument in light of the evidence presented 101 Good Reasons to Believe is essential reading for theists who wish to strengthen their faith in God and for nontheists who desire to critically investigate the truth claims of the Bible This book includes topics such as astronomical evidence for the existence of God evidence for creation and intelligent design refutation of Darwinian evolution the historicity of Jesus why there is human suffering if God exists the accuracy of the Bible and evidence for heaven and hell The 101 reasons presented make thought provoking and compelling reading for scholars and non scholars alike
