Joy For Beginners Erica Bauermeister:

Joy For Beginners Erica Bauermeister, 2011-06-09 From national bestselling author of Reese Witherspoon's Book Club pick The Scent Keeper comes a beautifully crafted novel about daring to experience true joy starting one small step at a time. Having survived a life-threatening illness, Kate celebrates by gathering with six close friends. At an intimate outdoor dinner on a warm September evening, the women challenge Kate to start her new lease on life by going white water rafting down the Grand Canyon with her daughter. But Kate is reluctant to take the risk. That is until her friend Marion proposes a pact: if Kate will face the rapids, each woman will do one thing in the next year that scares her. Kate agrees with one provision: she didn't get to choose her challenge, so she gets to choose theirs. Whether it's learning to let go of the past or getting a tattoo, each woman's story interweaves with the others, forming a seamless portrait of the power of female friendships. Joy for Beginners takes us on the emotional journeys of seven women seeking to transform their lives and proves that sometimes what we really need to inspire us to change is a good firm shove. Garth Stein, author of The Art of Racing in the Rain The Scent Keeper Erica Bauermeister, 2019-05-21 Erica Bauermeister, the national bestselling author of The School of Essential Ingredients, presents a moving and evocative coming-of-age novel about childhood stories, families lost and found, and how a fragrance conjures memories capable of shaping the course of our lives. Emmeline lives an enchanted childhood on a remote island with her father, who teaches her about the natural world through her senses. What he won't explain are the mysterious scents stored in the drawers that line the walls of their cabin or the origin of the machine that creates them. As Emmeline grows, however, so too does her curiosity. Until one day the unforeseen happens, and Emmeline is vaulted out into the real world, a place of love, betrayal, ambition, and revenge. To understand her past, Emmeline must unlock the clues to her identity, a quest that challenges the limits of her heart and imagination. Lyrical and immersive, The Scent Keeper explores the provocative beauty of scent, the way it can reveal hidden truths, lead us to the person we seek, and even help us find our way back home. **No Two Persons** Erica Bauermeister, 2023-05-02 One book. Nine readers. Ten changed lives. New York Times bestselling author Erica Bauermeister's No Two Persons is a gloriously original celebration of fiction and the ways it deepens our lives. That was the beauty of books, wasn't it? They took you places you didn't know you needed to go. Alice has always wanted to be a writer. Her talent is innate, but her stories remain safe and detached until a devastating event breaks her heart open, and she creates a stunning debut novel. Her words, in turn, find their way to readers: from a teenager hiding her homelessness to a free diver pushing himself beyond endurance, an artist furious at the world around her, a bookseller in search of love, a widower rent by grief. Each one is drawn into Alice's novel; each one discovers something different that alters their perspective and presents new pathways forward for their lives. Together, their stories reveal how books can affect us in the most beautiful and unexpected of ways, and how we are all more closely connected to one another than we might think. With its beautiful parts that add up to a brilliant whole, No Two Persons made my reader's heart sing. Nina de Gramont, New
