CARD #1

Rome had a king, but it also had a senate. The senate was a ruling body that worked together with the king to make and enforce laws. These men were wealthy politicians by nature. The common citizens, known as plebeians, were not happy being represented by people who had no touch with the things that common people needed from their government.

CARD #3

Caesar was nominated as the high priest of the Roman god Jupiter, the king of all the other gods, the equivalent of the Greek god Zeus and married Cornelia. Then, the Roman ruler Sulla proclaimed himself dictator of Rome. Because of his belief in giving more representation to lower class citizens of Rome, Caesar was run out of the country.
