*Matterhorn* Karl Marlantes, 2010-04-01 Intense powerful and compelling *Matterhorn* is an epic war novel in the tradition of Norman Mailer's *The Naked and the Dead* and James Jones's *The Thin Red Line*. It is the timeless story of a young Marine lieutenant Waino Mellas and his comrades in Bravo Company who are dropped into the mountain jungle of Vietnam as boys and forced to fight their way into manhood. Standing in their way are not merely the North Vietnamese but also monsoon rain and mud leeches and tigers disease and malnutrition. Almost as daunting it turns out are the obstacles they discover between each other racial tension competing ambitions and duplicitous superior officers. But when the company finds itself surrounded and outnumbered by a massive enemy regiment the Marines are thrust into the raw and all consuming terror of combat. The experience will change them forever. Written by a highly decorated Marine veteran over the course of thirty years *Matterhorn* is a spellbinding and unforgettable novel that brings to life an entire world both its horrors and its thrills and seems destined to become a classic of combat literature.

*Deep River* Karl Marlantes, 2019-07-02 Three Finnish siblings head for the logging fields of nineteenth century America in the New York Times bestselling author's commanding historical epic. Washington Post Born into a farm family the three Koski siblings Ilmari Matti and Aino are raised to maintain their grit and resiliency in the face of hardship. This lesson in *sisu* takes on special meaning when their father is arrested by imperial Russian authorities never to be seen again. Lured by the prospects of the Homestead Act Ilmari and Matti set sail for America while young Aino feeling betrayed and adrift after her Marxist cell is exposed follows soon after. The brothers establish themselves among a logging community in southern Washington not far from the Columbia River. In this New World they each find themselves Ilmari as the family's spiritual rock Matti as a fearless logger and entrepreneur and Aino as a fiercely independent woman and union activist who is willing to make any sacrifice for the cause that sustains her. Layered with fascinating historical detail this novel bears witness to the stump ridden fields that the loggers and the first waves of modernity leave behind. At its heart *Deep River* explores the place of the individual and of the immigrant in an America still in the process of defining its own identity.

**What it is Like to Go to War** Karl Marlantes, 2011 Offers insight into the combat experience drawing on the author's background as a decorated Vietnam War veteran to raise awareness about how inadequately troops are prepared for battle related psychological and spiritual trauma.
