*Matthew Arnold's Sohrab and Rustum* Justus Collins Castleman, 2015-06-04 Excerpt from Matthew Arnold s Sohrab and Rustum And Other Poems Edited With Introduction and Notes Matthew Arnolds poetry is preeminently the work of a scholar and a gentleman and as such has a place in the high school and in the lives of young people The ethical teachings of his verse with their unvarying insistence upon the supremacy of conduct and duty are especially helpful while the classic nature of his style and manner afford a singular charm and interest The aim of this little volume then is to familiarize in a measure the high school student with one of the ablest poetic spirits of the last century and to add one more name to his list of poet acquaintances The present edition attempts little in the way of criticism the introduction and notes being intended merely to supply the needs of those students who do not have access to a well stocked library Suggestive questions have also been added which are designed to aid in the appreciation and interpretation of the included poems About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

**Sohrab and Rustum, and Other Poems** Ashley H. Thorndike, 2002-07 Matthew Arnold s poetry was written largely during his early manhood most of his prose after he was forty years old His life as a man of letters is consequently divided into two nearly distinct parts Arnold s prose was devoted to specific criticism and to definite ideas the results of a carefully considered view of life His poetry came earlier before he had reached fixed conclusions and presents not settled theories and principles but rather his struggle toward belief and his effort to find right principles of living Consequently it reflects varying and unsettled moods and is in part a record of unrest and questioning Like other poets of the Victorian era he was facing a new age Sohrab and Rustum was written and published in 1853 Rustum who is supposed to have lived some time before Cyrus the Great is a famous Persian hero and the story of his encounter with his son is the best known episode in the Shah Namah or Book of Kings the national epic of Persia written by the poet Firdusi about 1000 A D In choosing the story for his poem Arnold s first care was to separate this particular episode from the other events of the national epic The interest of the story is thus entirely centered in the emotions of father and son The story thus condensed and integrated is a simple though a moving one It offers a chance for good characterization and dramatic dialogue **Matthew Arnold's Sohrab and Rustum** Matthew Arnold, 1905 [Sohrab and Rustum](#) Matthew Arnold, 1906 *Matthew Arnold's Sohrab and Rustum and Other Poems* Collins Justus Castleman, 2008-12-01 **Sohrab and Rustum with Other Poems by Matthew Arnold** Aid Worker Specialising in Post-Conflict Reconstruction Matthew Arnold, Matthew Arnold, W.
