story lovers of all ages      Korean Folk-tales ,1994 A collection of twenty traditional Korean legends and folktales      Korean Folk Tales Imps, Ghosts and Faries Im Im Bang,Yi Yi Ryuk,2018-05-17 The thirteen short stories by Yi Ryuk are taken from a reprint of old Korean writings issued last year 1911 by a Japanese publishing company Three anonymous stories are also added The Geomancer to show how Mother Earth has given anxiety to her chicks of children Im the 8 Hunter to tell of the actualities that exist in the upper air and The Man who lost his Legs as a sample of Korea s Sinbad      **Korean Folk Tales** Im Bang,Yi Ryuk,2018-03-25 Three years ago he went with some friends to a monastery to study but one night he disappeared and though I searched far and wide I have had no word of him since I concluded that he had been destroyed by some wild animal so I had a funeral service held and the house went into mourning I had no other children but this son only He was greatly gifted and I lost him in this strange way The memory has never left me for it seems as though I had lost him but yesterday Now that I look at this paper I see indeed that it is the writing of my son When I lost him I was Chief Justice and thus here records the office but where he has been for these three years and how he comes now to take part in the examination I know not The King hearing this was greatly astonished and at once before all the assembled ministers had him called Thus he came in his scholar s dress into the presence of the King All the officials wondered at this summoning of a candidate before the announcement of the result The King asked him why he had left the monastery and where he had been for these three years He bowed low and said I have been a very wicked man have left my parents have broken all the laws of filial devotion and deserve condign punishment The King replied saying There is no law of concealment before the King I shall not condemn you even though you are guilty tell me all Then he told his story to the King All the officials on each side bent their ears to hear The King sighed and said to the father Your son has repented and made amends for his fault He has won first place and now stands as a member of the Court We cannot condemn him for his love for this woman Forgive him for all the past and give him a start for the future His Majesty said further The woman Charan who has shared your life in the lonely mountains is no common woman Her plans too for your restoration were the plans of a master hand She is no dancing girl this Charan Let no other be your lawful wife but she only let her be raised to equal rank with her husband and let her children and her children s children hold highest office in the realm So was Keydong honoured with the winner s crown and so the Prime Minister received his son back to life at the hands of the King The winner s cap was placed upon his head and the whole house was whirled into raptures of joy So the Minister sent forth a palanquin and servants to bring up Charan In a great festival of joy she was proclaimed the wife of the Minister s son      Korean Folk Tales James S.
