United Nations Organization Stabilization Mission in the Democratic Republic of the Congo

Report of the Secretary-General

I. Introduction

1. The present report, submitted pursuant to paragraph 55 of Security Council resolution [2556 \(2020\)](#), covers major developments in the Democratic Republic of the Congo from 2 December 2020 to 18 March 2021. It describes progress made in the implementation of the mandate of the United Nations Organization Stabilization Mission in the Democratic Republic of the Congo (MONUSCO) since the Secretary-General's report of 30 November 2020 (S/2020/1150). It provides an overview of political developments, including the progress made towards the strengthening of State institutions and key governance and security reforms. It also outlines the Mission's pursuit of a comprehensive approach to the protection of civilians, as well as progress made in adjusting its priorities, posture and presence in accordance with the joint strategy on the progressive and phased drawdown of MONUSCO (S/2020/1041) and the Action for Peacekeeping initiative.

II. Political developments

2. Political dynamics were driven by the decision of the President, Félix Tshisekedi, to put an end to the ruling *Cape pour le changement* (CACH)-*Fron commun pour le Congo* (FCC) coalition and to establish a new coalition by the name of *Union sacrée de la nation* (USN).

3. In an address to the nation on 6 December and in his annual speech to Congress on the state of the nation on 14 December, President Tshisekedi described the outcome of consultations held with political and civil society actors from 2 to 25 November, and announced the appointment of an "informateur", in accordance with article 78 of the Constitution. On 1 January 2021, Senator Modeste Bahati Lukwembe was appointed informateur and charged with identifying a new majority in Parliament, with a view to forming a new Government.

4. On 5 December, tensions within the ruling coalition increased when a group of deputies filed petitions to depose the speaker of the National Assembly, Jeanine Mabunda, and her bureau. On 7 December, several deputies disrupted a plenary session convened by Ms. Mabunda, while the Congolese National Police dispersed CACH and FCC supporters who clashed near the Assembly building. On
