Indoor activities are included to make rainy days and quiet moments just as exciting. Special scavenger hunts for places like supermarkets and libraries add an educational twist to everyday errands. Ideal for camping trips and birthday parties, this book provides endless fun and learning opportunities for kids.

Reuniting Children with Nature: Nature's Guide to Happier & Healthier Kids Dr. Jenny Lloyd-Strovas, 2018-03-09. Do you have a hard time pulling your child away from the screen and into nature? Are you interested in getting outside more but are unsure of what to DO when you're out there? Do you want to develop your child's curiosity and love for nature but aren't sure where to start? Don't worry, you're not alone. As a mom, I know the struggle of getting kids outside and engaged with nature. It can be stressful, overwhelming, and downright frustrating to plan activities, get out the door, and feel like we know enough to make the experience somewhat interesting for us and our kids. Because so many parents struggle with this, I developed a recipe that will help you get your kids outside and engaged with nature. The recipe is easy to follow, adaptable to your family, and comes out great every time. This book includes the recipe along with practical tips for getting outside, packing checklists, safety suggestions, planning strategies, and activities that can be used for any age during any season. **Reuniting Children with Nature** is a detailed how-to guide where I take all the guesswork out of getting outside and give you strategies and activities to help you and your child engage in nature. The best part is everything in this book can be used over and over again as your children age and mature.

My Nature Log Book Honeybee School Press, 2019-02-27. **My Nature Log Book** is a guided journal developed for kids who love nature and adventures. Designed as a field journal, this book guides kids through using all their senses to experience nature. And through all 4 seasons. This journal is filled with over 100 pages of prompts and fun activities that will spark their imagination and will get kids excited for their next outdoor adventure. Nature scavenger hunts for each of the four seasons plus design your own scavenger hunts. The journal also includes an exclusive copy of *The Nature Explorer's Scavenger Hunt Song*, a wonderful nature poem that will remind kids of all the exciting things they can see, hear, and touch in nature. A fun assortment of two-page adventure spreads let children record their adventures and guide them through observing and experiencing nature with kid-friendly questions. Room for making notes on 40 adventures. Activities that encourage kids to use their senses: look, listen, touch, and smell for clues and cues about what's going on in the natural world around them. Plenty of room for drawings and doodles and fun drawing activities such as designing adventure badges. Handy size for little hands that fits perfectly in backpacks. Great for use with most art media and perfect for making collages and journaling. By using this prompt journal, kids will develop a

deeper appreciation for nature through improved observation skills and a better understanding of the natural world around them
