legs and up the school uniform skirt If it had just been a bit longer it wouldn't have been so bad thankfully I only had to wait a minute or two before he pulled up in the car I jumped in Hi Daddy I called out knowing he loved it when I spoke in a shrill playful voice whilst biting my lip Hey princess Can I have a sweetie please Not yet wait till we get to the park He said using his daddy voice Ohhhh I said back pouting at him Put your seatbelt on He said as we drove off I pulled the long strap across me and plugged it in I looked down at myself I barely took up half the seat I was so skinny I didn't care how small I looked my daddy loves me and that's all I care about He must've been eager today because he drove quickly and in a few minutes we arrived at the park He turned the engine off and sat looking down at me He's big but not massive even so I looked like a pixie doll compared to him My heart was beating really fast Can I have a sweetie now He twisted his mouth like he was trying to chew away a smile They're in a bag on the back seat I put my hand on the handle and as soon as I did he coughed one of those false coughs that people do to get your attention I knew exactly what he meant by it it made me smile I knew what to do New Statesman and Nation, 1955 *Roll Reversal Lord of the Manor* Jessie Carr, Adult read From the 1 Erotic Short Story Best Selling Author Jessie Carr The lord of the manor a handsome bachelor had no idea that two of his servant girls Elizabeth and Rosie were playing games when he was out hunting or riding during the day To him they were just servants If he'd ever looked at them he would have seen that they were two beautiful young women Down in the village there were no men even the young boys had gone off to fight in a foreign war and none had returned Lizzie and Rosie had become frustrated there was no prospect of a husband or a normal life they had secretly begun to satisfy each other's needs pretending to be with the lord of the manor If anyone had found out about their escapades they would have been burned as witches One day when they lose track of time the master returns to find them in the hay loft above the stables What he sees when he stumbles across them shocks him but he has no intention of seeing these two beauties burned quite the opposite

To the Manor Born Jessie Carr, Adult read Explicit age play erotic story From the 1 Erotic Short Story Best Selling Author Jessie Carr As the eldest of three girls Emily had been aware from an early age that she was To The Manor Born She has been a good girl her entire life Her grandmother has been her greatest influence teaching her not only independence and right from wrong but above all how to be generous compassionate and to follow her heart no matter the consequences When her Grandmother dies she is left with the responsibility of her estate and businesses She travels halfway across the country to take up her new position as the Lady of the manor As well as the usual upheaval she finds herself embroiled in the politics of the local town which with her grandmother's steel she handles well or so she thinks As if life is not complicated enough she finds herself drawn to her handmaid just this would be enough for her life to be ruined let alone the fact that her new intimate friend is black Regardless of her grandmother's excellent preparation she is ill prepared for the journey ahead TASTER I feel and smell her sweet breath as her face comes right in front of mine then her dark brown lips touch my cheek it's the touch of a butterfly wing she holds for a second and then pulls away I gulp down air as she stands off the bed I rub my

eyes as if to clean the thoughts in my head Let s get you undressed and ready for bed Miss She says matter of fact I stand up in front of her not daring to question my own actions she tells me to turn around and I do she puts her hands on my shoulders she slides one hand under my hair and pulls it to the side draping it across my shoulder it hangs down over my right breast I feel her lips again this time on the back of my neck not the delicate touch of before but still quite light then my spine shivers her hot wet tongue strokes thickly across my skin I can hardly breathe Her hands drop to my side and onto my hips tell me to stop she dares I say nothing knowing I should tell her to go away but her touch is like nothing I ve ever known it has me frozen to the spot needing it to last She stands back and releases me It s all I can do to stop myself from collapsing
